

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Isabel Rodriguez  
DOCKET NO.: 20-04918.001-R-1  
PARCEL NO.: 07-01-415-009

The parties of record before the Property Tax Appeal Board are Isabel Rodriguez, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,704  
**IMPR.:** \$65,297  
**TOTAL:** \$72,001

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story, raised ranch dwelling of wood siding exterior construction with 1,220 square feet of living area. The dwelling was constructed in 1986. Features of the home include a finished lower level, central air conditioning, a fireplace and a detached 398 square foot garage. The property has a 11,500 square foot site and is located in Waukegan, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .25 of a mile to 1.98 miles from the subject. The comparables have sites ranging in size from 8,268 to 40,511 square feet of land area that are improved with 1-story or raised ranch style dwellings of wood frame exterior construction ranging in size from 1,220 to 1,448 square feet of living area. The dwellings were built from 1978 to 1988. One comparable has a finished lower level, and two

comparables do not have a lower level or a basement. The comparables have central air conditioning and a garage ranging in size from 440 to 890 square feet of building area. Two comparables each have a fireplace. The comparables sold from June 2018 to April 2020 for prices ranging from \$205,000 to \$285,000 or from \$168.03 to \$196.82 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,001. The subject's assessment reflects a market value of \$216,284 or \$177.28 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .26 of a mile to 2.43 miles from the subject. The comparables have sites ranging in size from 11,740 to 40,640 square feet of land area that are improved with 1-story or raised ranch style dwellings of wood siding exterior construction ranging in size from 1,144 to 1,323 square feet of living area. The dwellings were built from 1974 to 2000. Two comparables have finished lower levels and two comparables have basements with finished area. The comparables have central air conditioning and an attached or detached garage ranging in size from 440 to 680 square feet of building area. The comparables sold from February 2019 to November 2020 for prices ranging from \$206,000 to \$277,500 or from \$180.07 to \$210.23 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2, as well as the board of review's comparables #3 and #4, due to their location over a mile from the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. However, the appellant's best comparables have sale dates occurring greater than 15 months prior to the January 1, 2020 assessment date at issue. Nevertheless, the best comparables sold from June 2018 to November 2020 for prices ranging from \$205,000 to \$285,000 or from \$168.03 to \$208.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$216,284 or \$177.28 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
