

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Kachurik
DOCKET NO.: 20-04923.001-R-1
PARCEL NO.: 07-03-101-017

The parties of record before the Property Tax Appeal Board are Mike Kachurik, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,002
IMPR.: \$101,156
TOTAL: \$116,158

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,527 square feet of living area. The dwelling was constructed in 1988. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 633 square foot garage. The property has an approximately 40,550 square foot site and is located in Wadsworth, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .06 to .37 of a mile from the subject. The comparables have sites ranging in size from 44,758 to 91,472 square feet of land area that are improved with 2-story dwellings of wood frame exterior construction ranging in size from 2,307 to 2,732 square feet of living area. The dwellings were built from 1983 to 1989. The comparables have basements, each of which have finished area, central air

conditioning and attached and/or detached garages ranging in total size from 895 to 1,222 square feet of building area. Two comparables each have a fireplace. The comparables sold from August to November 2019 for prices ranging from \$327,000 to \$357,000 or from \$120.39 to \$154.75 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$116,158. The subject's assessment reflects a market value of \$348,928 or \$138.08 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .07 to .48 of a mile from the subject. The board of review's comparables #2, #3 and #4, are the same properties as the appellant's comparables #3, #1 and #2, respectively. The board of review's unique comparable has a 40,050 square foot site that is improved with 1.5-story dwellings of wood siding exterior construction containing 2,849 square feet of living area. The dwelling was built in 1981. The comparable has an unfinished basement, central air conditioning, a fireplace and an attached 720 square foot garage. The comparable sold in August 2020 for a price of \$357,500 or \$125.48 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of four comparable sales for the Board's consideration, three of which were submitted by both parties. The Board gives less weight to the board of review's comparable #1 due to its dissimilar 1.5-story dwelling, when compared to the subject. The Board finds the parties' remaining comparables, which are the parties' common comparables, have varying degrees of similarity to the subject. The best comparables sold from August to November 2019 for prices ranging from \$327,000 to \$357,000 or from \$120.39 to \$154.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$348,928 or \$138.08 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted. and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
