

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sam Thomas  
DOCKET NO.: 20-04929.001-R-1  
PARCEL NO.: 11-11-101-020

The parties of record before the Property Tax Appeal Board are Sam Thomas, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$76,113  
**IMPR.:** \$194,568  
**TOTAL:** \$270,681

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 4,002 square feet of living area. The dwelling was constructed in 1999. Features of the home include an unfinished full basement, central air conditioning, one fireplace, and a 655 square foot garage. The property has an approximately 42,642 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within 0.96 of a mile from the subject and with two having the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 39,423 to 45,440 square feet of land area. The appellant reported that the comparables are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 3,780 to 4,702 square feet of living

area. The dwellings were built from 1991 to 2004. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces, and a 704 to 1,313 square foot garage. The properties sold from July to October 2019 for prices ranging from \$545,500 to \$842,000 or from \$116.01 to \$204.72 per square foot of living area, land included.

Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$270,681, which would reflect a market value of \$813,100 or \$203.17 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within 0.86 of a mile from the subject and with two having the same assessment neighborhood code as the subject property. Board of review comparable #2 is the same property as the appellant's comparables #2. The comparables have sites that range in size from 30,950 to 40,180 square feet of land area. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,109 to 4,774 square feet of living area. The dwellings were built from 1996 to 2005. Each comparable has an unfinished full basement, central air conditioning, two or three fireplaces, and a 754 to 1,313 square foot garage. The properties sold from March 2019 to October 2020 for prices ranging from \$842,000 to \$1,200,000 or from \$204.83 to \$251.36 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, which included the parties' common comparable. The Board gives less weight to the appellant's comparable #1 and board of review comparable #1 which differ from the subject in dwelling size.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are overall more similar to the subject in location, design, age, dwelling size, and most features. These properties sold from March to August 2019 for prices ranging from \$712,000 to \$865,000 or from \$180.21 to \$204.83 per square foot of living area, land included. The subject's assessment reflects a market value of \$813,100 or \$204.83 per square foot of living area, land

included, which falls within the range established by the best comparables sales in the record. Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
