

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Sural
DOCKET NO.: 20-04934.001-R-1
PARCEL NO.: 11-08-403-029

The parties of record before the Property Tax Appeal Board are Steve Sural, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,110
IMPR.: \$129,579
TOTAL: \$182,689

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,002 square feet of living area. The dwelling was built in 1985 and has an effective built year of 1996. Features of the home include an unfinished full basement, central air conditioning, one fireplace, and a 528 square foot attached garage. The property has an approximately 11,886 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.14 of a mile from the subject. The comparables have sites ranging in size from 10,448 to 17,233 square feet of land area. These properties are improved with 2-story dwellings with frame exterior construction that range in size from 2,368 to 2,882 square feet of living area. The dwellings were built from 1984 to

1987 with comparable #4 having an effective built year of 1989. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a 400 to 460 square foot attached garage. The appellant reported that comparable #1 has an inground swimming pool. The comparables sold from April 2019 to January 2020 for prices ranging from \$385,000 to \$474,000 or from \$138.79 to \$180.92 per square foot of living area, land included.

The appellant also supplied supplemental notes and an MLS listing sheet that indicated comparable #4 was rehabbed in 2003.

Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$182,689. The subject's assessment reflects a market value of \$548,780 or \$182.80 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparables sales located within 0.91 of a mile from the subject and with two having the same assessment neighborhood code as the subject. Four of these comparables have sites ranging in size from 11,940 to 21,610 square feet of land area. These properties are improved with 2-story dwellings with brick or wood siding exterior construction that range in size from 2,316 to 3,460 square feet of living area. The dwellings were built from 1977 to 2002 with effective built years from 1988 to 2002. Each comparable has an unfinished basement, central air conditioning, one or three fireplaces, and a 400 to 897 square foot attached garage. The comparables sold from April 2019 to November 2020 for prices ranging from \$450,000 to \$750,000 or from \$191.19 to \$269.40 per square foot of living area, land included. Based on this evidence, the board of review requested the assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3 and #4 as well as board of review comparable #1 due to differences from the subject in dwelling size or has an inground swimming pool, which is not a feature of the subject.

The Board finds the best evidence of market value to be the parties' six remaining comparables which are overall more similar to the subject in location, design, age, dwelling size, and most features. These properties sold from April 2019 to November 2020 for prices ranging from \$410,000 to \$750,000 or from \$142.36 to \$269.40 per square foot of living area, land included.

The subject's assessment reflects a market value of \$548,780 or \$182.80 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds that the assessment of the subject property as established by the board of review is supported and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
