

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Allan Meyer
DOCKET NO.: 20-04939.001-R-1
PARCEL NO.: 11-08-311-004

The parties of record before the Property Tax Appeal Board are Allan Meyer, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$71,039
IMPR.: \$179,877
TOTAL: \$250,916

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,649 square feet of living area. The dwelling was constructed in 1994. Features of the home include an unfinished basement, central air conditioning, two fireplaces and an attached 690 square foot garage. The property has an approximately 18,120 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .07 to .25 of a mile from the subject. The comparables have sites ranging in size from 16,565 to 21,789 square feet of land area that are improved with 2-story dwellings of frame, frame and brick or brick and frame exterior construction ranging in size from 3,295 to 3,874 square feet of living area. The dwellings were built from 1993 to 2001, with a home built in 1993 having a 2002 effective age.

The comparables have unfinished basements, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 634 to 825 square feet of building area. Two comparables each have a swimming pool. The comparables sold from October 2019 to July 2020 for prices ranging from \$685,000 to \$785,000 or from \$196.18 to \$212.28 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$250,916. The subject's assessment reflects a market value of \$753,728 or \$206.56 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .13 to .28 of a mile from the subject. The board of review's comparable #3 is the same property as the appellant's comparable #5. The comparables have sites ranging in size from 17,050 to 30,300 square feet of land area that are improved with 1-story or 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,438 to 4,395 square feet of living area. The dwellings were built from 1992 to 2002. The comparables have unfinished basements, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 728 to 1,004 square feet of building area. One comparable has a gazebo. The comparables sold from June 2019 to August 2020 for prices ranging from \$775,000 to \$985,000 or from \$212.28 to \$225.42 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #2 and #4, due to their considerably smaller dwelling size and/or their swimming pool feature when compared to the subject. The Board also gives less weight to the board of review's comparables #2, #3 and #5, due to their dissimilar 1-story style dwelling or their considerably larger dwelling size when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, are similar to the subject in location, dwelling style, age, size and features. The best comparables sold from June 2019 to July 2020 for prices ranging from \$760,000 to \$828,000 or from \$196.18 to \$225.42 per square foot of living area, including land. The subject's assessment reflects a market value of \$753,728 or \$206.56 per square foot of living area, including land, which falls below the range

established by the best comparables in the record on a total market value basis but within the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
