

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charla Hagel
DOCKET NO.: 20-04957.001-R-1
PARCEL NO.: 07-31-307-007

The parties of record before the Property Tax Appeal Board are Charla Hagel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,992
IMPR.: \$150,714
TOTAL: \$175,706

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,577 square feet of living area. The dwelling was built in 2015. Features of the home include a full basement with finished area, central air conditioning, one fireplace, and an 816 square foot garage. The property has an approximately 39,340 square foot site and is located in Grayslake, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with different assessment neighborhood codes than the subject property and located from 0.86 of a mile to 1.24 miles from the subject. The comparables have sites that range in size from 7,405 to 23,522 square feet of land area. The comparables are improved with 2-story dwellings ranging in size from 2,868 to 3,318 square feet of living area. The dwellings were built from 2000 to 2005. Each comparable

is reported to have an unfinished basement, central air conditioning, and a 484 to 810 square foot garage. Three comparables each have one fireplace. Comparable #1 has a finished attic. The appellant also supplied supplemental notes and two MLS listing sheets that indicated comparables #1 and #5 were rehabbed in 2018 and 2007, respectively. The properties sold from January 2019 to June 2020 for prices ranging from \$355,000 to \$525,000 or from \$117.86 to \$170.29 per square foot of living area, land included. Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$175,706. The subject's assessment reflects a market value of \$527,804 or \$147.55 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales with different assessment neighborhood codes than the subject property and located from 0.77 of a mile to 1.24 miles from the subject. Board of review comparable #1 is the same property as appellant's comparable #5. The comparables have sites that range in size from 9,750 to 23,520 square feet of land area. These comparables are improved with 2-story dwellings of vinyl siding or wood siding exterior construction that range in size from 3,032 to 3,908 square feet of living area. The dwellings were built from 1991 to 2001. Three comparables each have a basement with two having finished area and one comparable has a crawl space foundation. Each comparable has central air conditioning, one fireplace, and a garage ranging in size from 504 to 810 square foot garage. The properties sold in June 2019 to October 2020 for prices ranging from \$470,000 to \$575,000 or from \$130.63 to \$180.31 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration, which includes the parties' common comparable. The Board gives less weight to the appellant's comparables #1, #2 and #4, appellant comparable #5/board of review comparable #1, as well as board of review comparables #2 and #3 which are located less proximate in location to the subject than the other comparables in the record.

The Board finds the best evidence of market value to be the appellant's comparable #3 and board of review comparable #4 which are overall more similar to the subject in location, design, age, dwelling size, and most features. These properties sold in June 2019 and October 2020 for prices of \$420,000 and \$575,000 or for \$126.58 and \$180.31 per square foot of living area, land

included. The subject's assessment reflects an estimated market value of \$527,804 or \$147.55 per square foot of living area, land included, which is bracketed by the two best comparable sales in the record on both an overall and per square foot basis. Based on the record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
