

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Schlagger  
DOCKET NO.: 20-04980.001-R-1  
PARCEL NO.: 06-24-203-030

The parties of record before the Property Tax Appeal Board are David Schlagger, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,128  
**IMPR.:** \$60,398  
**TOTAL:** \$72,526

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 1,600 square feet of living area that was constructed in 1988. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 441 square foot garage. The property has an approximately 9,150 square foot site and is located in Third Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.39 of a mile from the subject property. The comparables have sites that range in size from 8,712 to 19,166 square feet of land area and are improved with 2-story dwellings that range in size from 1,704 to 1,806 square feet of living area. The dwellings were built from 1986 to 1988. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from

396 to 600 square feet of building area. The properties sold in May or June 2019 for prices ranging from \$214,900 to \$238,500 or from \$119.92 to \$132.06 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$69,860 which reflects a market value of \$209,601 or \$131.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,526. The subject's assessment reflects a market value of \$217,861 or \$136.16 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.39 of a mile from the subject property. Board of review comparable #1 is the same property as the appellant's comparable #2. The comparables have sites that range in size from 8,710 to 19,170 square feet of land area and are improved with a 1.5-story or a 2-story dwelling of vinyl siding exterior construction that range in size from 1,568 to 1,704 square feet of living area. The homes were built in 1987 or 1989. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 396 to 483 square feet of building area. The properties sold in May 2019 or September 2020 for prices ranging from \$224,951 to \$258,000 or from \$132.01 to \$161.15 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to the appellant's comparables #1 and #3 which are less similar to the subject in dwelling size than other properties in the record.

The Board finds the best evidence of market value to be appellant comparable #2 and board of review comparables, including the common property, which are more similar to the subject in location, age, dwelling size and other features. These comparables sold in May 2019 or September 2020 for prices ranging from \$224,951 to \$258,000 or from \$132.01 to \$161.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$217,861 or \$136.16 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record on an overall market value basis and within the range on a per square foot basis. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
