

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Cox
DOCKET NO.: 20-04982.001-R-1
PARCEL NO.: 06-24-203-066

The parties of record before the Property Tax Appeal Board are Kenneth Cox, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,937
IMPR.: \$83,776
TOTAL: \$96,713

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,558 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 400 square foot garage. The property has an approximately 9,990 square foot site and is located in Third Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.37 of a mile from the subject property. The comparables have sites that range in size from 9,583 to 14,810 square feet of land area and are improved with two-story dwellings that range in size from 2,130 to 2,803 square feet of living area. The dwellings were built from 1986 to 1991. Each comparable has a basement, central air conditioning, one fireplace and a garage ranging in size from 420 to 483

square feet of building area. The properties sold from June 2019 to July 2020 for prices ranging from \$209,000 to \$362,500 or from \$88.04 to \$134.34 per square foot of living area, land included.

The appellant submitted copies of the Multiple Listing Service (MLS) sheets for its comparables #4 and #5. The MLS sheets described comparable #4 as having updates and custom elements and comparable #5 as having finished basement area. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$91,226 which reflects a market value of \$273,705 or \$107.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$96,713. The subject's assessment reflects a market value of \$290,517 or \$113.57 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.35 of a mile from the subject property. Board of review comparable #1 is the same property as the appellant's comparable #5. The comparables have sites that range in size from 9,150 to 14,810 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 2,234 to 2,488 square feet of living area. The homes were built from 1987 to 1989. Each comparable has a basement with three having finished area. The dwellings have central air conditioning, one or two fireplaces and a garage ranging in size from 400 to 734 square feet of building area. The properties sold from October 2019 to December 2020 for prices ranging from \$299,000 to \$325,000 or from \$126.37 to \$145.48 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to appellant comparables #2, #3 and #5 along with board of review comparables #1, #3 and #5, including the common property, which are less similar to the subject in dwelling than other properties in the record and/or have finished basement area in contrast to the subject's unfinished basement.

The Board finds the best evidence of market value to be appellant comparables #1 and #4 and board of review comparable #2 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from June to December 2020 for

prices ranging from \$209,000 to \$362,500 or from \$88.04 to \$129.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$290,517 or \$113.57 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
