

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Wagner
DOCKET NO.: 20-04986.001-R-1
PARCEL NO.: 06-27-303-028

The parties of record before the Property Tax Appeal Board are Richard Wagner, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,720
IMPR.: \$77,876
TOTAL: \$95,596

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling with vinyl siding exterior construction containing 2,408 square feet of living area. The dwelling was constructed in 1987. Features of the home include an unfinished basement, central air conditioning, 3 full bathrooms, two fireplaces and an attached 552 square foot garage. The property has a 10,890 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .56 of a mile to 1.57 miles from the subject. The comparables have sites ranging in size from 6,599 to 16,988 square feet of land area that are improved with 1-story dwellings ranging in size from 2,087 to 2,398 square feet of living area. The dwellings were built from 1987 to 1992, with a home built in 1987 having a 1989 effective age. The comparables have unfinished basements, central air

conditioning, 2 full and one-half bathrooms, a fireplace, and a garage ranging in size from 420 to 576 square feet of building area. The comparables sold from February to September 2019 for prices ranging from \$220,000 to \$285,000 or from \$101.71 to \$118.85 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,596. The subject's assessment reflects a market value of \$287,161 or \$119.25 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .43 to .62 of a mile from the subject. The board of review's comparable #4 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 10,450 to 20,470 square feet of land area that are improved with 1-story or 2-story dwellings with vinyl siding exterior construction ranging in size from 2,398 to 2,646 square feet of living area. The dwellings were built in 1988 or 1989. The comparables have basements, three of which have finished area, central air conditioning, 2 full and 1-half bathrooms or 2 full and 2-half bathrooms, one or two fireplaces, and an attached garage ranging in size from 552 to 831 square feet of building area. The comparables sold from March 2019 to September 2020 for prices ranging from \$285,000 to \$390,000 or from \$118.85 to \$156.06 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the board of review's comparables #1, #2, #3 and #5, due to their finished basement area and/or their dissimilar 2-story style dwelling when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, are similar to the subject in location, dwelling style, age, size and most features. However, each of the best comparables have one less full bathroom when compared to the subject. Nevertheless, the best comparables sold from February to September 2019 for prices ranging from \$220,000 to \$285,000 or from \$101.71 to \$118.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$287,161 or \$119.25 per square foot of living area, including land, which falls slightly above the range established by the best comparables in the record. However,

after considering adjustments to the best comparables for differences when compared to the subject, such as their lower bathroom count, the Board finds the subject's slightly higher estimated market value as reflected by its assessment is justified. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
