

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rose Lamb
DOCKET NO.: 20-04989.001-R-1
PARCEL NO.: 06-34-202-013

The parties of record before the Property Tax Appeal Board are Rose Lamb, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,395
IMPR.: \$51,693
TOTAL: \$79,088

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of wood siding exterior construction with 1,224 square feet of living area. The dwelling was constructed in 1925 but has a 1965 effective age. Features of the home include an unfinished basement, central air conditioning, a fireplace and a detached 375 square foot garage. The property has an approximately 10,200 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .34 of a mile to 2.30 miles from the subject. The comparables have sites ranging in size from 5,227 to 14,540 square feet of land area that are improved with 1-story, 1.5-story or 2-story dwellings ranging in size from 1,139 to 1,668 square feet of living area. The dwellings were built from 1947 to 1970, with homes built in 1947 and 1970 having 1961 and 1982 effective ages. Two comparables have

unfinished basements and two comparables do not have basements. Three comparables have central air conditioning, two comparables each have a fireplace and each comparable has a garage ranging in size from 200 to 672 square feet of building area. The comparables sold from June 2019 to July 2020 for prices ranging from \$130,000 to \$260,000 or from \$98.92 to \$155.88 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$79,088. The subject's assessment reflects a market value of \$237,573 or \$194.10 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .21 to .71 of a mile from the subject. The comparables have sites ranging in size from 7,840 to 9,580 square feet of land area that are improved with 1-story or 1.5-story dwellings with brick or vinyl siding exterior construction ranging in size from 1,014 to 1,424 square feet of living area. The dwellings were built from 1938 to 1985, with homes built in 1938 and 1985 having 1979 and 1992 effective ages. The comparables have basements, each of which has finished area, central air conditioning and an attached or detached garage ranging in size from 230 to 638 square feet of building area. The comparables sold from May 2019 to October 2020 for prices ranging from \$235,000 to \$300,000 or from \$210.67 to \$240.74 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables due to their location over a mile from the subject and/or their lack of a basement foundation, when compared to the subject. In addition, the appellant's comparable #3 lacks central air conditioning, unlike the subject. The Board finds the board of review's comparables have varying degrees of similarity to the subject. However, each of the board of review's comparables has finished basement area, unlike the subject. Nevertheless, the best comparables sold from May 2019 to October 2020 for prices ranging from \$235,000 to \$300,000 or from \$210.67 to \$240.74 per square foot of living area, including land. The subject's assessment reflects a market value of \$237,573 or \$194.10 per square foot of living area, including land, which falls within the range established by the best comparables in the record on a total market value basis but below the range on a per square foot basis. However,

after considering adjustments to the best comparables for differences when compared to the subject, such as their finished basement area, the Board finds the subject's lower per square foot estimated market value as reflected by its assessment is justified. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
