

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Eaton  
DOCKET NO.: 20-04991.001-R-1  
PARCEL NO.: 06-28-205-005

The parties of record before the Property Tax Appeal Board are Kenneth Eaton, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,649  
**IMPR.:** \$55,095  
**TOTAL:** \$63,744

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 1,539 square feet of living area. The dwelling was constructed in 1999. Features of the home include an unfinished basement, central air conditioning, and a 400 square foot attached garage. The property is located in Hainesville, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within 0.19 of a mile from the subject property. The comparables are improved with 2-story dwellings with either 1,539 or 1,682 square feet of living area. The dwellings were built in either 1999 or 2000. Each comparable has a basement, central air conditioning, and either a 400 or 484 square foot attached garage. Two comparables each have one fireplace. The properties sold from May 2018 to April 2019 for prices ranging

from \$186,000 to \$209,000 or from \$110.58 to \$124.26 per square foot of living area, land included. Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,744, reflecting a market value of \$191,481 or \$124.42 per square foot of living area, including land, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.19 of a mile from the subject. The comparables are reported to be improved with 1-story or 2-story dwellings of vinyl siding exterior construction ranging in size from 1,350 to 1,682 square feet of living area. The dwellings were built in either 1999 or 2000. The board of review reported that two comparables each have an unfinished full basement, two comparables each have a lower level with two having finished area, and one comparable has a concrete slab foundation. Each comparable has central air conditioning and a 400 to 484 square foot garage. The properties sold from May to October 2020 for prices ranging from \$195,500 to \$232,000 or from \$127.03 to \$168.89 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2 which has a sale date 19 months prior to the lien date and thus is less proximate to the January 1, 2020 assessment than the other sales in the record. The Board gives less weight to board of review comparables #3, #4, and #5 which differ from the subject in reported design and/or foundation style.

The Board finds the best evidence of market value to be the parties' remaining comparables which have sale dates proximate to the subject's assessment date and are overall more similar to the subject in location, design, age, dwelling size, and features. These properties sold in February 2019 to October 2020 for prices ranging from \$186,000 to \$232,000 or from \$110.58 to \$137.93 per square foot of living area, land included. The subject's assessment reflects an estimated market value of \$191,481 or \$124.42 per square foot of living area, land included, which falls within the range established by the best comparable sales in the record. Based on the record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
