

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Wamsley
DOCKET NO.: 20-04998.001-R-1
PARCEL NO.: 06-35-102-005

The parties of record before the Property Tax Appeal Board are James Wamsley, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,835
IMPR.: \$110,341
TOTAL: \$118,176

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story dwelling of wood siding exterior construction with 3,618 square feet of living area. The dwelling was constructed in 1941 but has an effective year built of 1990. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a garage with 480 square feet of building area. The property has an approximately 9,150 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within 0.97 of a mile from the subject. The comparables have sites that range in size from 7,501 to 12,001 square feet of land area. The comparables are improved with 2-story dwellings ranging in size from 2,559 to 2,980 square feet of living area. The dwellings were built from 1988 to 2003. Each comparable has a

basement with one having finished area, central air conditioning, one fireplace, and a garage ranging in size from 420 to 622 square feet of building area. The properties sold from December 2018 to October 2019 for prices ranging from \$220,000 to \$257,000 or from \$75.21 to \$100.43 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$118,176. The subject's assessment reflects a market value of \$354,989 or \$98.12 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 0.86 of a mile from the subject. Board of review comparable #3 is the same property as the appellant's comparable #3. The comparables have sites that range in size from 7,410 to 19,170 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding or wood siding exterior construction ranging in size from 2,222 to 3,866 square feet of living area. The dwellings were built from 1952 to 1996 but have effective years built from 1986 to 2001. Four comparables each have a basement with one having finished area and one comparable has a crawl space foundation. Each comparable has central air conditioning, one or two fireplaces, and a garage ranging in size from 400 to 1,206 square feet of building area. The properties sold from July 2019 to September 2020 for prices ranging from \$257,000 to \$420,000 or from \$100.43 to \$118.14 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, including the parties' one common comparable. The Board gives less weight to the appellant's comparables #1 and #2, the appellant's comparable #3/board of review comparable #3, as well as board of review comparables #1 and #2 due to differences from the subject in dwelling size.

The Board finds the best evidence of market value to be board of review comparables #4 and #5 which are similar to the subject in location, design, age/effective age, dwelling size, and some amenities. However, board of review comparable #4 lacks a finished basement and board of review comparable #5 lacks basement finish requiring upward adjustments for these differences to make them equivalent to the subject. The properties sold in May and June 2020 for prices of \$359,000 and \$420,000 or \$112.33 and \$108.64 per square foot of living area, land included, respectively. The subject's assessment reflects a market value of \$354,989 or \$98.12 per square

foot of living area, land included, which falls below the two best comparable sales in the record on both an overall and per square foot basis. Based on the record and after considering adjustments to the two best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
