

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bonnie Ostrowsky  
DOCKET NO.: 20-05003.001-R-1  
PARCEL NO.: 06-36-105-066

The parties of record before the Property Tax Appeal Board are Bonnie Ostrowsky, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,102  
**IMPR.:** \$57,558  
**TOTAL:** \$66,660

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 2-story townhouse of vinyl siding exterior construction with 1,524 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement with finished area, central air conditioning, and a 420 square foot garage. The property has an approximately 3,170 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within 0.18 of a mile from the subject. The comparables have sites that range in size from 2,653 to 7,405 square feet of land area. The comparables are improved with 2-story townhouses with 1,524 square feet of living area. The dwellings were built in 1994 or 1996. Each comparable has a basement with three having finished area and central air conditioning. Two comparables each have one fireplace.

Three comparables each have a garage with 420 square feet of building area. The properties sold from March 2019 to July 2020 for prices ranging from \$182,500 to \$198,500 or from \$119.75 to \$130.25 per square foot of living area, land included. The appellant provided an MLS listing sheet for comparable #4 which disclosed it had been rehabbed in 2016. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,660. The subject's assessment reflects a market value of \$200,240 or \$131.39 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 0.18 of a mile from the subject. Board of review comparables #1, #2, and #3 are the same properties as the appellant's comparables #5, #1, and #4, respectively. The comparables have sites that range in size from 2,650 to 7,410 square feet of land area. The comparables are improved with 2-story townhouses of vinyl siding exterior construction with 1,524 square feet of living area. The dwellings were built from 1994 to 1997. Each comparable has a basement with finished area, central air conditioning, and a garage with 420 square feet of building area. Three comparables each have one fireplace. The properties sold from June 2019 to September 2020 for prices ranging from \$192,000 to \$203,000 or from \$125.98 to \$133.20 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, including the parties' three common comparables, which each have a sale date proximate in time to the subject's assessment date. The comparables are identical to the subject in dwelling size and are similar to the subject in location, design, age, and most amenities. The properties sold from March 2019 to September 2020 for prices ranging from \$182,500 to \$203,000 or from \$119.75 to \$133.20 per square foot of living area, land included. The subject's assessment reflects a market value of \$200,240 or \$131.39 per square foot of living area, land included, which falls within the range established by the comparable sales in the record. Based on the record and after considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
