

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Jazdzewski
DOCKET NO.: 20-05023.001-R-1
PARCEL NO.: 07-03-306-012

The parties of record before the Property Tax Appeal Board are Kenneth Jazdzewski, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,305
IMPR.: \$158,701
TOTAL: \$191,006

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 4,245 square feet of living area. The dwelling was constructed in 2006. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and a 741 square foot garage. The property has an approximately 44,040 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales that are located from .06 to .42 of a mile from the subject. The comparables have sites ranging in size from 40,023 to 44,183 square feet of land area that are improved with 2-story dwellings of wood frame exterior construction ranging in size from 3,413 to 4,454 square feet of living area. The dwellings were built from 2005 to 2008. The comparables have unfinished basements, central air conditioning, a fireplace

and a garage ranging in size from 665 to 832 square feet of building area. The comparables sold from May 2019 to June 2020 for prices ranging from \$422,500 to \$460,000 or from \$101.45 to \$127.45 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,006. The subject's assessment reflects a market value of \$573,764 or \$135.16 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .29 to .34 of a mile from the subject. The comparables have sites ranging in size from 41,000 to 42,700 square feet of land area that are improved with 2-story dwellings of wood siding exterior construction ranging in size from 3,844 to 4,398 square feet of living area. The dwellings were built in 2004 or 2005. The comparables have basements, one of which has finished area, central air conditioning and a fireplace. The comparables sold in October or December 2020 for prices ranging from \$615,000 to \$630,000 or from \$143.25 to \$159.99 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #4, #5 and #6, as well as the board of review's comparable #2, due to their smaller dwelling size when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. However, each of the parties' best comparables lack finished basement area when compared to the subject. Nevertheless, the best comparables sold from May 2019 to December 2020 for prices ranging from \$425,000 to \$630,000 or from \$101.45 to \$150.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$573,764 or \$135.16 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, such as their lack of finished basement area, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
