

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Georgette Slaven
DOCKET NO.: 20-05024.001-R-1
PARCEL NO.: 07-07-208-005

The parties of record before the Property Tax Appeal Board are Georgette Slaven, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,407
IMPR.: \$186,238
TOTAL: \$216,645

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,942 square feet of living area. The dwelling was constructed in 1993. Features of the home include a basement, that has finished area, central air conditioning, three fireplaces and an attached 1,203 square foot garage. The property has an approximately 38,970 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from 1.83 to 2.58 miles from the subject. The comparables have sites ranging in size from 40,014 to 44,183 square feet of land area that are improved with 2-story dwellings of wood frame exterior construction ranging in size from 4,034 to 4,454 square feet of living area. The dwellings were built in 2005 or 2008. The comparables have unfinished basements, central air conditioning, a fireplace and a

garage ranging in size from 528 to 832 square feet of building area. The comparables sold from May 2019 to July 2020 for prices ranging from \$387,000 to \$535,000 or from \$87.64 to \$131.32 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$216,645. The subject's assessment reflects a market value of \$650,781 or \$131.68 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .05 to .26 of a mile from the subject. The comparables have sites ranging in size from 25,270 to 34,010 square feet of land area that are improved with 1.5-story or 2-story dwellings of wood siding exterior construction ranging in size from 3,022 to 3,889 square feet of living area. The dwellings were built from 1989 to 1993. The comparables have basements, one of which has finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 680 to 804 square feet of building area. The comparables sold in May or June 2020 for prices ranging from \$455,000 to \$520,000 or from \$128.24 to \$172.07 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration, none of which are particularly similar to the subject. Each of the comparables submitted have significantly smaller dwellings, when compared to the subject, and all but one lacks finished basement area, unlike the subject. In addition, all of the appellant's comparables are located over a mile from the subject. Nevertheless, the parties' comparables sold from May 2019 to July 2020 for prices ranging from \$387,000 to \$535,000 or from \$87.64 to \$172.07 per square foot of living area, including land. The subject's assessment reflects a market value of \$650,781 or \$131.68 per square foot of living area, including land, which falls above the range established by the best comparables in the record on a total market value basis but within the range on a per square foot basis. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their significantly smaller dwellings and lack of finished basement area, the Board finds the subject's higher total estimated market value as reflected by its assessment is justified. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
