

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jae An  
DOCKET NO.: 20-05043.001-R-1  
PARCEL NO.: 07-18-206-013

The parties of record before the Property Tax Appeal Board are Jae An, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$21,177  
**IMPR.:** \$99,794  
**TOTAL:** \$120,971

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,948 square feet of living area. The dwelling was constructed in 1995. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 441 square feet of building area. The property has a 17,860 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales, five of which are located within .3 of a mile of the subject, and all of which are within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of wood frame exterior construction ranging in size from 2,385 to 2,955 square feet of living area. The homes were built in 1994 or 1995. Each dwelling has central air conditioning, an unfinished basement, and a garage ranging in size from

440 to 682 square feet of building area. Five dwellings each have a fireplace. The parcels range in size from 10,019 to 11,761 square feet of land area. The comparables sold from January 2019 to January 2020 for prices ranging from \$289,900 to \$315,100 or from \$104.91 to \$132.12 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$116,926, for an estimated market value of \$350,813 or \$119.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$120,971. The subject's assessment reflects a market value of \$363,385 or \$123.27 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .19 of a mile of the subject and within the same assessment neighborhood as the subject. Comparables #2 and #3 are the same properties as appellant comparables #3 and #2, respectively, which were described above. The remaining comparable consists of a two-story dwelling of wood siding exterior construction with 2,948 square feet of living area. The dwelling was built in 1994 and has central air conditioning, a basement with finished area, a fireplace, and a garage containing 441 square feet of building area. The parcel contains 10,450 square feet of land area and sold in September 2020 for \$363,000 or for \$123.13 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board gives less weight to the appellant's comparables #4, #5, and #6 due to differences in dwelling size in relation to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 through #3, which include the common comparables, along with board of review comparable sale #1, which are similar to the subject in age, location, dwelling size, and most features. These most similar comparables sold for prices ranging from \$289,900 to \$363,000 or from \$104.91 to \$123.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$363,385 or \$123.27 per square foot of living area, including land, which is slightly above the range established by the best comparable sales in this record, but appears supported given the subject's larger parcel. Based on this evidence and after considering adjustments to the

best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
