

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Liaqat Ali  
DOCKET NO.: 20-05044.001-R-1  
PARCEL NO.: 07-17-104-017

The parties of record before the Property Tax Appeal Board are Liaqat Ali, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,410  
**IMPR.:** \$76,146  
**TOTAL:** \$88,556

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,858 square feet of living area. The dwelling was constructed in 1994. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 420 square feet of building area. The property has an approximately 9,580 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .38 of a mile of the subject and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of wood frame exterior construction ranging in size from 1,872 to 2,125 square feet of living area. The homes were built in 1992 or 1994. Each dwelling has central air conditioning, an unfinished basement, and a garage containing either 380 or 420 square feet of

building area. Two comparables each have a fireplace. The parcels range in size from 12,123 to 17,860 square feet of land area. The comparables sold from February 2019 to June 2020 for prices ranging from \$200,000 to \$273,000 or from \$100.25 to \$141.56 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$80,505, for an estimated market value of \$550,621 or \$130.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$88,556. The subject's assessment reflects a market value of \$266,014 or \$143.17 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .5 of a mile of the subject, one of which is within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 1,634 to 1,872 square feet of living area. The dwellings were built from 1993 to 1996. Each dwelling has central air conditioning, a basement with two having finished area, and a garage ranging in size from 380 to 420 square feet of building area. Two comparables each have a fireplace. The parcels range in size from 6,530 to 12,680 square feet of land area. The comparables sold from March 2019 to November 2020 for prices ranging from \$259,000 to \$284,900 or from \$144.75 to \$166.12 per square foot of living area, including land. The board of review also stated that appellant comparable #1 was an "as-is" sale. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #1 due to its significantly larger parcel in relation to the subject. The Board also gives reduced weight to board of review comparables #1 and #3 due to their finished basements, a feature the subject lacks.

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3 along with board of review comparable sales #2, #4, and #5, which are similar to the subject in age, dwelling size, parcel size, location, and features. These most similar comparables sold for prices ranging from \$265,000 to \$284,900 or from \$128.47 to \$166.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$266,014 or \$143.17 per square foot of living area, including land, which is within the range established by the best

comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
