

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barbara Mikeska
DOCKET NO.: 20-05046.001-R-1
PARCEL NO.: 07-17-401-007

The parties of record before the Property Tax Appeal Board are Barbara Mikeska, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,438
IMPR.: \$92,598
TOTAL: \$108,036

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,366 square feet of living area. The dwelling was constructed in 1993. Features of the home include an unfinished basement, central air conditioning, a fireplace, a garage containing 420 square feet of building area, and an inground swimming pool. The property has an approximately 11,920 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .36 of a mile of the subject and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of wood frame exterior construction ranging in size from 1,995 to 2,396 square feet of living area. The homes were built from 1992 to 1994. Each dwelling has central

air conditioning, a basement with one having finished area,¹ and a garage ranging in size from 420 to 480 square feet of building area. Four comparables each have a fireplace. The parcels range in size from 9,583 to 17,860 square feet of land area. The comparables sold from February to July 2019 for prices ranging from \$200,000 to \$325,000 or from \$100.25 to \$137.36 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$97,785, for an estimated market value of \$293,384 or \$124.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$108,036. The subject's assessment reflects a market value of \$324,530 or \$137.16 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .43 of a mile of the subject and within the same assessment neighborhood as the subject. Comparable #3 is the same property as appellant comparable #5. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,297 to 2,554 square feet of living area. The dwellings were built from 1994 to 1996, with comparable #1 having an effective age of 1997. Each dwelling has central air conditioning, a fireplace, a basement with three having finished area, and a garage ranging in size from 420 to 441 square feet of building area. The parcels range in size from 9,580 to 13,070 square feet of land area. The comparables sold from June 2019 to December 2020 for prices ranging from \$325,000 to \$341,448 or from \$131.13 to \$148.65 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparable #1 due to its smaller dwelling compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #2 through #6 and the board of review comparable sales, which are similar to the subject in age, location, dwelling size, and most features. The Board notes that none of the comparables features an

inground swimming pool like the subject and three comparables feature finished basement area which the subject lacks, suggesting adjustments would be necessary to make the comparables more equivalent to the subject. These most similar comparables sold for prices ranging from \$273,000 to \$341,448 or from \$118.91 to \$148.65 per square foot of living area, including land. The subject's assessment reflects a market value of \$324,530 or \$137.16 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
