

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Erin Pietranek
DOCKET NO.: 20-05049.001-R-1
PARCEL NO.: 07-17-403-034

The parties of record before the Property Tax Appeal Board are Erin Pietranek, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,898
IMPR.: \$134,405
TOTAL: \$154,303

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,255 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a garage containing 811 square feet of building area. The property has a 17,420 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 1.71 miles of the subject. The comparables consist of two-story dwellings of wood frame exterior construction ranging in size from 2,712 to 3,422 square feet of living area. The homes were built from 1994 to 2002. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 440 to 812 square feet of building area. The parcels range in size from

10,019 to 14,810 square feet of land area. The comparables sold from April 2019 to June 2020 for prices ranging from \$300,000 to \$421,000 or from \$95.06 to \$142.33 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$136,696, for an estimated market value of \$410,129 or \$126.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$154,303. The subject's assessment reflects a market value of \$463,512 or \$142.40 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within two miles of the subject. The comparables consist of part one-story and part two-story¹ or two-story dwellings of wood siding exterior construction ranging in size from 3,031 to 3,621 square feet of living area. The dwellings were built from 1997 to 1999. Each dwelling has central air conditioning, a fireplace, a basement with one having finished area, and a garage ranging in size from 650 to 876 square feet of building area. Comparable #2 has an inground swimming pool. The parcels range in size from 10,450 to 20,040 square feet of land area. The comparables sold in September and October 2020 for prices ranging from \$474,900 to \$491,100 or from \$135.63 to \$161.66 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #4 due to its smaller dwelling in relation to the subject and appellant's comparables #1 and #3 due to their location more than a mile from the subject. The Board also gives reduced weight to board of review comparable #2 due to its inground swimming pool, a feature the subject lacks.

The Board finds the best evidence of market value to be appellant's comparable sales #2, #5, and #6 along with board of review comparable sales #1 and #3, which are similar to the subject in age, dwelling size, location, and most features. These most similar comparables sold for prices ranging from \$345,000 to \$490,000 or from \$100.82 to \$161.66 per square foot of living area,

¹ The board of review describes comparable #3 as a one-story dwelling, however the grid reports 1,172 square feet of ground floor living area and 3,031 square feet of above ground living area, suggesting that this is a part one-story and part-two story dwelling.

including land. The subject's assessment reflects a market value of \$463,512 or \$142.40 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
