

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Eisenmenger
DOCKET NO.: 20-05059.001-R-1
PARCEL NO.: 05-33-302-100

The parties of record before the Property Tax Appeal Board are Michael Eisenmenger, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,452
IMPR.: \$59,824
TOTAL: \$70,276

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part 1-story and part 2-story¹ dwelling of wood siding exterior construction with 2,098 square feet of living area. The dwelling was built in 1998. Features of the home include an unfinished full basement, central air conditioning, and a 588 square foot attached garage. The property has an approximately 7,405 square foot site and is located in Lakemoor, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.75 of a mile from the subject. The comparables have sites that range in size from 7,405 to 9,147 square feet of land area. The

¹ The best evidence of the subject's story height was found in the schematic drawing presented by the board of review.

appellant reported that the comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,177 to 2,359 square feet of living area. The dwellings were built from 1999 to 2003. Each comparable is reported to have an unfinished basement, central air conditioning, and a 420 to 598 square foot garage. Two comparables each have one fireplace. The properties sold from May 2019 to April 2020 for prices ranging from \$201,500 to \$230,000 or from \$88.41 to \$100.83 per square foot of living area, land included. Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,276. The subject's assessment reflects a market value of \$211,102 or \$100.62 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.65 of a mile from the subject. The comparables have sites that range in size from 7,840 to 14,810 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 1,904 to 2,345 square feet of living area. The dwellings were built from 1998 to 2000. Each comparable has a full basement with two having finished area, central air conditioning, and a 400 to 440 square foot garage. Three comparables each have one fireplace. The properties sold from October 2019 to December 2020 for prices ranging from \$236,000 to \$270,000 or from \$104.90 to \$125.00 square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 as well as board of review comparables #1 and #3 which differ from the subject in dwelling size or have basement finish, which is not a feature of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which are overall more similar to the subject in location, design, age, dwelling size, and most features. The comparables sold from May 2019 to November 2020 for prices ranging from \$201,500 to \$246,000 or from \$92.56 to \$108.06, land included. The subject's assessment reflects a market value of \$211,102 or \$100.62 per square foot of living area, land included, which falls within the range established by the best comparable sales in the record. Based on the record and after considering adjustments to the best comparables for differences from the

subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
