

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryan Cook
DOCKET NO.: 20-05069.001-R-1
PARCEL NO.: 03-12-377-008

The parties of record before the Property Tax Appeal Board are Ryan Cook, the appellant, by attorney Robert D. Lin, of the Law Offices of Robert D. Lin, LLC in Naperville; and the Kendall County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Kendall** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,998
IMPR.: \$87,270
TOTAL: \$107,268

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kendall County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 2,340 square feet of living area. The dwelling was constructed in 2007 and is approximately 13 years old. Features of the home include a walk-out style basement, central air conditioning, a fireplace, and a garage containing 451 square feet of building area. The property has an approximately 10,079 square foot site and is located in Oswego, Oswego Township, Kendall County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .3 miles of the subject. The comparables consist of two-story dwellings of unknown exterior construction ranging in size from 2,340 to 2,415 square feet of living area. The homes are 7 to 14 years old. Each dwelling has central air conditioning, a basement, and a garage containing 451 square feet of building

area. Two comparables each have a fireplace. The parcels range in size from approximately 9,148 to 10,890 square feet of land area. The comparables sold from January 2018 to April 2019 for prices ranging from \$298,000 to \$306,000 or from \$123.45 to \$129.91 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$98,333, for an estimated market value of \$295,029 or \$126.08 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,268. The subject's assessment reflects a market value of \$323,584 or \$138.28 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Kendall County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .1 of a mile of the subject. The comparables consist of two-story dwellings of brick and frame exterior construction ranging in size from 2,316 to 2,562 square feet of living area. The dwellings are 12 to 14 years old. Each dwelling has central air conditioning, a basement with two being walk-out style, and a garage ranging in size from 451 to 660 square feet of building area. Three comparables each have a fireplace. The parcels range in size from 9,002 to 10,984 square feet of land area. The comparables sold from September 2019 to August 2020 for prices ranging from \$313,000 to \$343,000 or from \$126.85 to \$144.17 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #3 and #4 due to their more remote sale dates for valuation as of January 1, 2020.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #2 along with the board of review's comparable sales, which are similar to the subject in age, dwelling size, location, and most features. These most similar comparables sold for prices ranging from \$299,995 to \$343,000 or from \$124.22 to \$144.17 per square foot of living area, including land. The subject's assessment reflects a market value of \$323,584 or \$138.28 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
