

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nelson Cui  
DOCKET NO.: 20-05070.001-R-1  
PARCEL NO.: 05-23-407-006

The parties of record before the Property Tax Appeal Board are Nelson Cui, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,522  
**IMPR.:** \$76,416  
**TOTAL:** \$90,938

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,768 square feet of living area. The dwelling was constructed in 2005. Features of the home include an unfinished basement, central air conditioning, and a garage containing 572 square feet of building area. The property has an approximately 13,720 square foot site and is located in Round Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparables, two of which sold twice, located within 1.1 miles of the subject and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 2,462 to 3,012 square feet of living area. The homes were built from 2001 to 2004. Each dwelling has central air conditioning, a basement with one having finished area, and a garage

ranging in size from 440 to 609 square feet of building area. Four comparables each have a fireplace. The parcels range in size from 10,378 to 14,749 square feet of land area. The comparables sold from September 2016 to May 2020 for prices ranging from \$235,000 to \$278,000 or from \$78.02 to \$111.29 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$83,032, for an estimated market value of \$249,121 or \$90.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$90,938. The subject's assessment reflects a market value of \$273,169 or \$98.69 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.1 miles of the subject and within the same assessment neighborhood as the subject. Comparables #3 and #5 are the same properties as appellant's comparables #5 and #4, respectively. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,462 to 3,066 square feet of living area. The dwellings were built from 2001 to 2004. Each dwelling has central air conditioning, a basement with three having finished area, and a garage ranging in size from 440 to 544 square feet of building area. Four comparables each have a fireplace. The parcels range in size from 8,410 to 13,140 square feet of land area. The comparables sold from March to December 2020 for prices ranging from \$245,000 to \$343,000 or from \$99.51 to \$115.54 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board, two of which are common to the parties. The Board gives less weight to the appellant's comparable sales #1 and #5 which sold in 2016 and 2018 and are less indicative of the subject's market value as of January 1, 2020. The Board also gives reduced weight to appellant's comparable #3, as well as board of review comparables #1, #2, and #4, due to their finished basements, a feature the subject lacks.

The Board finds the best evidence of market value to be the 2020 sales of appellant's comparables #1, #2, #4, and #5, which include the common comparables, and are similar to the subject in age, dwelling size, and features. These most similar comparables sold from March to June 2020 for prices ranging from \$245,000 to \$278,000 or from \$88.81 to \$111.29 per square

foot of living area, including land. The subject's assessment reflects a market value of \$273,169 or \$98.69 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
