

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Mateja
DOCKET NO.: 20-05071.001-R-1
PARCEL NO.: 05-23-403-002

The parties of record before the Property Tax Appeal Board are Mark Mateja, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,233
IMPR.: \$79,339
TOTAL: \$95,572

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,823 square feet of living area. The dwelling was constructed in 2004. Features of the home include a basement, central air conditioning, a fireplace, a garage containing 556 square feet of building area, and an inground swimming pool. The property has a 12,000 square foot site and is located in Round Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparables, one of which sold twice, located within .77 of a mile of the subject and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 2,768 to 3,012 square feet of living area. The homes were built from 2002 to 2005. Each dwelling has central air conditioning, a fireplace, a basement, and a garage ranging in size from

556 to 609 square feet of building area. The parcels range in size from 12,127 to 15,359 square feet of land area. The comparables sold from September 2016 to May 2020 for prices ranging from \$235,000 to \$273,000 or from \$78.02 to \$97.54 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$89,386, for an estimated market value of \$268,185 or \$95.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,572. The subject's assessment reflects a market value of \$287,089 or \$101.70 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.19 miles of the subject and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,510 to 3,066 square feet of living area. The dwellings were built from 2000 to 2004. Each dwelling has central air conditioning, a fireplace, a basement with four having finished area, and a garage ranging in size from 440 to 546 square feet of building area. The parcels range in size from 8,150 to 11,760 square feet of land area. The comparables sold from August to December 2020 for prices ranging from \$290,000 to \$343,000 or from \$107.62 to \$116.33 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 11 comparable sales to support their respective positions before the Property Tax Appeal Board, as one comparable sold twice. The Board gives less weight to the 2016 sale of the appellant's comparable #1 which is less indicative of the subject's market value as of January 1, 2020.

The Board finds the best evidence of market value to be the remaining comparable sales, which are similar to the subject in age, dwelling size, and most features, noting that none of the comparables have inground swimming pools and four comparables have finished basements suggesting adjustments would be necessary to make them more equivalent to the subject. These most similar comparables sold from July 2019 to December 2020 for prices ranging from \$249,900 to \$343,000 or from \$88.81 to \$116.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$287,089 or \$101.70 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for

differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
