

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lisa Clostrides  
DOCKET NO.: 20-05075.001-R-1  
PARCEL NO.: 05-11-202-005

The parties of record before the Property Tax Appeal Board are Lisa Clostrides, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$39,642  
**IMPR.:** \$71,670  
**TOTAL:** \$111,312

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 1,872 square feet of living area. The dwelling was constructed in 1964. Features of the home include a crawl-space foundation, central air conditioning, a fireplace, and a garage containing 440 square feet of building area. The property has an approximately 19,910 square foot site and is located in Ingleside, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 2.19 miles of the subject, two of which are in the same assessment neighborhood as the subject. The comparables consist of one-story dwellings of brick or frame exterior construction ranging in size from 1,584 to 1,811 square feet of living area. The homes were built from 1951 to 1968, with comparable #3 having an effective age of 1977. Each dwelling has central air conditioning, two comparables

each have a fireplace, and two comparables each have a garage containing either 552 or 720 square feet of building area. The parcels range in size from 11,617 to 46,831 square feet of land area. The comparables sold from March to July 2019 for prices ranging from \$212,500 to \$360,000 or from \$134.15 to \$198.79 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$100,142, for an estimated market value of \$300,456 or \$160.50 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$111,312. The subject's assessment reflects a market value of \$334,371 or \$178.62 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 3.35 miles of the subject, one of which is in the same assessment neighborhood as the subject. Comparable #1 is the same property as appellant comparable #2. The comparables consist of one-story dwellings of wood siding or brick exterior construction ranging in size from 1,588 to 2,104 square feet of living area. The dwellings were built in 1950 or 1961, with comparables #2 and #3 having effective ages of 1964 and 1986, respectively. Each dwelling has central air conditioning and two comparables each have a garage containing either 462 or 552 square feet of building area. Comparable #2 has a fireplace, a basement, and a fully finished attic. The parcels range in size from 11,900 to 46,830 square feet of land area. The comparables sold from August 2018 to March 2020 for prices ranging from \$327,000 to \$385,000 or from \$182.98 to \$205.92 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparable #3 due to its location more than two miles from the subject. The Board also gives reduced weight to board of review comparables #2 and #3 due to differences in effective age, location, foundation, and/or finished attic amenity when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #2/board of review comparable sale #1, which are relatively similar to the subject in age/effective age, dwelling size, location, and features. These most similar comparables sold for

prices of \$212,500 and \$360,000 or for \$134.15 and \$198.79 per square foot of living area, including land. The subject's assessment reflects a market value of \$334,371 or \$178.62 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
