

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cary Drazner
DOCKET NO.: 20-05196.001-R-1
PARCEL NO.: 16-32-317-019

The parties of record before the Property Tax Appeal Board are Cary Drazner, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$58,036
IMPR.: \$134,082
TOTAL: \$192,118

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,880 square feet of living area. The dwelling was constructed in 1983. Features of the home include a basement, central air conditioning, two fireplaces, and a 696 square foot garage. The property has an approximately 10,800 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within 0.13 of a mile from the subject property and have sites that range in size from 10,794 to 10,877 square feet of land area and are improved with 2-story dwellings ranging in size from 3,134 to 3,446 square feet of living area. The dwellings were built from 1983 to 1987. Each comparable has a basement, central air conditioning, one fireplace and a garage ranging in size from 483 to 506 square feet of building area. The properties sold from May 2019 to July 2020 for prices ranging from \$535,000 to

\$802,500 or from \$166.77 to \$232.88 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$192,118. The subject's assessment reflects a market value of \$577,104 or \$200.38 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales where comparables #1 and #3 are the same properties as the appellant's comparables #3 and #2, respectively, and are located within 0.14 of a mile from the subject and have sites ranging in size from 10,790 to 10,880 square feet of land area and are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction that range in size from 3,134 to 3,446 square feet of living area. The dwellings were built from 1985 to 1987. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a garage ranging in size from 480 to 484 square feet of building area. The properties sold from July 2019 to August 2020 for prices ranging from \$545,000 to \$802,500 or from \$173.90 to \$232.88 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted a total of four comparable sales, with two common comparables, for the Board's consideration. The Board gives less weight to the appellant's comparable sale#3/board of review comparable #1, due to difference in dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #2 along with the board of review comparable sales #2 and #3, which includes one common comparable. These comparables are similar to the subject in location, age, dwelling size, and features. The properties sold from May 2019 to August 2020 for prices ranging from \$535,000 to \$700,000 or from \$166.77 to \$206.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$577,104 or \$200.38 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record both in terms of overall market value and on a price per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
