

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Amir Seifi
DOCKET NO.: 20-05198.001-R-1
PARCEL NO.: 16-32-316-001

The parties of record before the Property Tax Appeal Board are Amir Seifi, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$52,801
IMPR.: \$62,049
TOTAL: \$114,850

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,314 square feet of living area. The dwelling was constructed in 1959. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 528 square foot garage. The property has an approximately 10,855 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable properties located within 1.59 miles from the subject property. The appellant reported that five comparables have sites that range in size from 7,501 to 12,001 square feet of land area. The comparables are improved with 1-story dwellings ranging in size from 1,275 to 1,556 square feet of living area that were built from 1951 to 1959. The comparables each have a basement, central air conditioning and a garage ranging in size from 240 to 958 square feet of building area. Comparable #2 has a fireplace. The comparables sold from January 2019 to June 2020 for prices ranging from \$240,000 to \$350,000 or from

\$175.82 to \$262.76 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$114,850. The subject's assessment reflects a market value of \$344,999 or \$262.56 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 1.1 miles from the subject property. The board of review comparables #1 and #2 are the same properties as the appellant's comparables #1 and #2. The board of review reported that three comparables have sites that range in size from 7,100 to 9,000 square feet of land area. The comparables are improved with 1-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 1,070 to 1,345 square feet of living area. The dwellings were built from 1952 to 1959. The comparables each have a basement, one of which has finished area. Each comparable has a garage ranging in size from 264 to 624 square feet of building area. Four comparables each have central air conditioning. Two comparables each have one fireplace. The comparables sold from April 2019 to November 2020 for prices ranging from \$310,000 to \$410,000 or from \$233.61 to \$313.28 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales, with two common comparables, for the Board's consideration. The Board has given less weight to the appellant's comparables #3 through #6, as well as board of review comparables #3 and #4 due to their dissimilar dwelling sizes and/or distance of over one mile compared to the subject.

The Board finds the best evidence of market value to be the two common comparable sales along with the board of review comparable sale #5, which are more similar to the subject in location, dwelling size, design, age and some features. The comparables sold from April 2019 to June 2020 for prices ranging from \$310,000 to \$410,000 or from \$233.61 to \$304.83 per square foot of living area, including land. The subject's assessment reflects a market value of \$344,999 or \$262.56 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
