

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Schwartz  
DOCKET NO.: 20-05201.001-R-1  
PARCEL NO.: 16-32-312-037

The parties of record before the Property Tax Appeal Board are Kenneth Schwartz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$69,643  
**IMPR.:** \$166,319  
**TOTAL:** \$235,962

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,803 square feet of living area. The dwelling was constructed in 1991. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 792 square foot garage. The property has an approximately 14,400 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable properties located within 0.17 of a mile from the subject property. Two comparables have sites of 15,311 or 17,999 square feet of land area. The comparables are improved with 2-story dwellings ranging in size from 3,237 to 3,840 square feet of living area that were built in 1994 and 1999. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 636 to 702 square feet of building area. The comparables sold from February 2019 to March 2020 for prices ranging from

\$540,000 to \$607,500 or from \$147.10 to \$167.59 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$235,962. The subject's assessment reflects a market value of \$708,807 or \$186.38 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 1.15 miles from the subject property. Three comparables have sites that range in size from 11,400 to 18,000 square feet of land area. The comparables are improved with 1-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 3,483 to 3,991 square feet of living area. The dwellings were built from 1989 to 1997. Three comparables each have a basement, one of which has finished area, and two comparables have a concrete slab foundation. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 636 to 702 square feet of building area. The comparables sold from January 2019 to November 2020 for prices ranging from \$715,000 to \$867,000 or from \$179.15 to \$248.92 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables and the board of review comparables #1, #3, and #4 due to their dissimilar basement foundations when compared to the subject's concrete slab foundation.

The Board finds the best evidence of market value to be the board of review comparable sales #2 and #4, which are more similar to the subject in location, dwelling size, foundation, design, age and some features. The comparables sold in August 2020 and November 2020 for prices of \$715,000 and \$770,000 or for \$179.15 and \$211.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$708,807 or \$186.38 per square foot of living area, including land, which falls below the best comparable sales in the record in an overall market value basis, but within the best comparable sale on a per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
