

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Jaffe  
DOCKET NO.: 20-05207.001-R-1  
PARCEL NO.: 16-32-116-013

The parties of record before the Property Tax Appeal Board are Robert Jaffe, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$58,707  
**IMPR.:** \$65,223  
**TOTAL:** \$123,930

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,602 square feet of living area. The dwelling was constructed in 1958. Features of the home include a lower-level, central air conditioning, one fireplace and a 312 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within 0.43 of a mile from the subject property. The comparables have sites that range from 8,838 to 10,123 square feet of land area. The comparables are improved of split-level<sup>1</sup> dwellings of brick and aluminum siding or brick and cedar exterior construction ranging in size from 1,485 to 1,664 square feet of living

---

<sup>1</sup> The Board finds the best evidence of the appellant's comparables design is found in the listing sheets provided by the board of review which disclosed the properties as split-level with either with either brick and aluminum siding or brick and cedar exterior construction, two of which have a finished lower level.

area that were built in 1956 and 1957. Each comparable has a lower level, two with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 253 to 528 square feet of building area. The comparables sold from April 2019 to May 2020 for prices ranging from \$264,500 to \$317,000 or from \$159.82 to \$213.47 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$123,930. The subject's assessment reflects a market value of \$372,274 or \$232.38 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within 0.60 of a mile from the subject property. Two comparables have sites sizes of 9,000 or 11,060 square feet of land area. The comparables are improved with 1-story or part 1-story and part 2-story<sup>2</sup> dwellings of brick or brick and wood siding exterior construction ranging in size from 1,275 to 1,579 square feet of living area. The dwellings were built from 1954 to 1959. Each comparable has a basement, two with finished area, central air conditioning and a garage ranging in size from 286 to 624 square feet of building area. Two comparables each have a fireplace. The comparables sold from April 2019 to May 2020 for prices ranging from \$310,000 to \$410,000 or from \$205.83 to \$304.83 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted a total of seven comparable sales for the Board's consideration. The Board finds all the comparables are relatively similar to the subject in location, dwelling size and age, but have varying degrees of similarity to the subject in design and features. Nevertheless, these seven comparables sold from April 2019 to May 2020 for prices ranging from \$264,500 to \$410,000 or from \$159.82 to \$304.83 per square foot of living area. The subject's assessment reflects a market value of \$372,274 or \$232.38 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

---

<sup>2</sup> The board of review comparable #3 has a ground floor area of 1,218 square feet and an above ground area of 1,579 square feet, indicating that the dwelling is part 2-story in design.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
