

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Janice Blumenthal
DOCKET NO.: 20-05223.001-R-1
PARCEL NO.: 16-29-319-012

The parties of record before the Property Tax Appeal Board are Janice Blumenthal, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,369
IMPR.: \$160,751
TOTAL: \$214,120

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,113 square feet of living area. The dwelling was constructed in 1963. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 441 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information¹ on four comparable sales located within 0.26 of a mile from the subject property. The comparables have sites that range in size from 7,797 to 10,202 square feet of land area. The comparables are improved with 2-story dwellings ranging in size from 2,552 to

¹ The appellant submitted MLS data sheets for comparables #2, #3 and #4 which disclosed the properties to have finished basement areas, two fireplaces, brick or brick and vinyl siding exterior construction and were rehabbed in 2003, 2004 and 2008, respectively.

3,535 square feet of living area that were built from 1940 to 1978, with comparables #3 and #4 having effective years built of 1975 and 1971, respectively. Each comparable has a basement, central air conditioning and a garage ranging in size from 418 to 782 square feet of building area. The comparables sold from February to July 2019 for prices ranging from \$485,000 to \$757,000 or from \$155.59 to \$223.85 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$214,120. The subject's assessment reflects a market value of \$643,196 or \$206.62 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 0.47 of a mile from the subject property. The board of review's comparable #4 is the same property as the appellant's comparable #3, respectively. The comparables have sites ranging in size from 7,500 to 9,100 square feet of land area. The comparables are improved with 1.75-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 1,947 to 2,964 square feet of living area. The dwellings were built from 1948 to 1978 with comparables #2 and #4 having effective years built of 1995 and 1975, respectively. Each comparable has a basement, one of which has finished area, central air conditioning, and a garage ranging in size from 450 to 672 square feet of building area. Four comparables each have a fireplace. The comparables sold from June 2019 to September 2020 for prices ranging from \$495,000 to \$650,000 or from \$205.34 to \$254.24 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration, as one sale was common to the parties. The Board has given less weight to the appellant's comparables #1 and #4, and the board of review comparables #3, #4 and #5, which included the common comparable, due to their dissimilar dwelling sizes or differences in age when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #4, along with the board of review comparables #1 and #2. The Board finds that these comparables are more similar to the subject in location, dwelling size, age and some features. The comparables sold from February 2019 to September 2020 for prices ranging from \$485,000 to \$650,000 or from \$159.75 to \$219.97 per square foot of living area, including land. The subject's

assessment reflects a market value of \$643,196 or \$206.62 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
