

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jacob Zaretsky  
DOCKET NO.: 20-05226.001-R-1  
PARCEL NO.: 16-29-307-012

The parties of record before the Property Tax Appeal Board are Jacob Zaretsky, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$58,681  
**IMPR.:** \$52,462  
**TOTAL:** \$111,143

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of brick exterior construction with 1,092 square feet of living area. The dwelling was constructed in 1957. Features of the home include an unfinished basement, central air conditioning and a detached 440 square foot garage. The property has an approximately 11,070 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .08 to .51 of a mile from the subject. The comparables have sites ranging in size from 6,251 to 11,879 square feet of land area that are improved with 1-story or 2-story dwellings ranging in size from 924 to 3,840 square feet of living area. The dwellings were built from 1950 to 1952. The comparables have basements, one of which has finished area, and a garage ranging in size from 288 to 537

square feet of building area. Two comparables have central air conditioning and one comparable has a fireplace. The comparables sold from August 2019 to April 2020 for prices ranging from \$225,000 to \$384,990 or from \$68.36 to \$313.77 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$111,143. The subject's assessment reflects a market value of \$333,863 or \$305.74 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .29 to .49 of a mile from the subject. The board of review's comparable #1 is the same property as the appellant's comparable #1. The comparables have sites ranging in size from 6,250 to 10,140 square feet of land area that are improved with 1-story dwellings of wood siding exterior construction ranging in size from 1,014 to 1,227 square feet of living area. The dwellings were built from 1950 to 1955. Three comparables have basements, one of which has finished area, and one comparable has a slab foundation. Three comparables have central air conditioning, three comparables each have a fireplace, and each comparable has an attached or attached garage ranging in size from 270 to 600 square feet of building area. The comparables sold from July 2019 to July 2020 for prices ranging from \$335,000 to \$390,000 or from \$313.77 to \$376.45 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #2 and #3, due to their dissimilar 2-story style dwelling, their significantly larger dwelling size and/or their lack of central air conditioning when compared to the subject. The Board also gives less weight to the board of review's comparable #4, due to its dissimilar slab foundation and lack of central air conditioning when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. The best comparables sold from July 2019 to July 2020 for prices ranging from \$255,500 to \$384,990 or from \$247.58 to \$337.77 per square foot of living area, including land. The subject's assessment reflects a market value of \$333,863 or \$305.74 per square foot of living area, including land, which falls within the range established by the best comparables in the record. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
