

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aileen Zimmerman
DOCKET NO.: 20-05231.001-R-1
PARCEL NO.: 16-29-207-035

The parties of record before the Property Tax Appeal Board are Aileen Zimmerman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,053
IMPR.: \$57,502
TOTAL: \$75,555

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story townhouse of wood siding exterior construction with 1,232 square feet of living area. The dwelling was constructed in 1983. Features of the home include a slab foundation, central air conditioning, a fireplace and an attached 221 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located in close proximity to the subject. The comparables are improved with 2-story townhouses with 1,196 or 1,232 square feet of living area. The dwellings were built in 1983. The comparables have central air conditioning, a fireplace and a 221 square foot garage. The comparables sold from August 2018 to March 2020 for prices ranging from \$224,000 to \$232,000 or from \$181.82 to \$188.31 per square foot of living area, including land.

Based on this evidence the appellant requested the subject's assessment be reduced to \$75,555, which reflects a market value of \$226,688 or \$184.00 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$82,410. The subject's assessment reflects a market value of \$247,552 or \$200.94 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on the same three comparable properties that were submitted by the appellant. However, the board of review submitted a more recent sale for the appellant's comparable #3, which sold in October 2020 for \$230,000 or \$186.69 per square foot of living area, including land.

Based on this evidence the board of review offered to reduce the subject's assessment to \$76,659, which reflects a market value of \$230,000 or \$186.69 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of four comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable sale #3, due to its sale date occurring greater than 16 months prior to the January 1, 2020 assessment date at issue. The Board finds the parties' remaining comparables, which are the parties' common comparables, have varying degrees of similarity to the subject. The best comparables sold from October 2019 to October 2020 for prices ranging from \$224,000 to \$230,000 or from \$181.82 to \$188.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$247,552 or \$200.94 per square foot of living area, including land, which falls above the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive. Based on this evidence the Board finds a reduction in the subject's assessment commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
