

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Gigot
DOCKET NO.: 20-05237.001-R-1
PARCEL NO.: 14-13-302-008

The parties of record before the Property Tax Appeal Board are Timothy Gigot, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$92,376
IMPR.: \$196,651
TOTAL: \$289,027

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 4,653 square feet of living area. The dwelling was constructed in 2000. Features of the home include an unfinished walkout basement, central air conditioning, three fireplaces, an attached 1,127 square foot garage, a 756 square foot inground swimming pool and an inground hot tub. The property has an approximately 62,690 square foot site and is located in Long Grove, Ela Township, Lake County

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .17 to .40 of a mile from the subject. The comparables have sites ranging in size from 56,171 to 124,834 square feet of land area that are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 3,750 to 5,502 square feet of living area. The

dwellings were built from 1990 to 2001. The comparables have unfinished basements, three of which have a walkout, central air conditioning, from two to four fireplaces and an attached garage ranging in size from 704 to 1,023 square feet of building area. Two comparables each have a swimming pool. The comparables sold from June 2019 to May 2020 for prices ranging from \$652,000 to \$725,000 or from \$118.50 to \$179.47 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$289,027. The subject's assessment reflects a market value of \$868,210 or \$186.59 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales that are located .07 or .23 of a mile from the subject. The board of review's comparable #2 is the same property as the appellant's comparable #3. The board of review's sales grid also listed this common comparable as both comparable #2 and #3. The board of review's unique comparable has a 56,260 square foot site that is improved with a 2-story dwelling of brick exterior construction containing 4,735 square feet of living area. The dwelling was built in 2000. The comparable has an unfinished basement, central air conditioning, two fireplaces, an attached 920 square foot garage and a swimming pool. The comparable sold in September 2020 for a price of \$895,000 or \$189.02 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparable #1 due to its significantly larger site when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. The best comparables sold from June 2019 to September 2020 for prices ranging from \$665,000 to \$895,500 or from \$140.18 to \$189.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$868,210 or \$186.59 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
