

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barbara Ferguson
DOCKET NO.: 20-05238.001-R-1
PARCEL NO.: 16-28-322-030

The parties of record before the Property Tax Appeal Board are Barbara Ferguson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,021
IMPR.: \$52,751
TOTAL: \$105,772

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,625 square feet of living area. The dwelling was constructed in 1948. Features of the home include a slab foundation, a fireplace and an attached 315 square foot garage. The property has an approximately 11,100 square foot site and is located in Deerfield, West Deerfield Township, Lake County

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .23 to .55 of a mile from the subject. The comparables have sites ranging in size from 8,102 to 10,123 square feet of land area that are improved with 1-story dwellings ranging in size from 1,352 to 1,781 square feet of living area. The dwellings were built from 1953 to 1956. One comparable has an unfinished basement, one comparable has a crawl-space foundation and one comparable has a

slab foundation. The comparables have central air conditioning and a 264 or 840 square foot garage. The comparables sold from August 2019 to March 2020 for prices ranging from \$252,000 to \$340,000 or from \$169.88 to \$190.90 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,772. The subject's assessment reflects a market value of \$317,729 or \$195.53 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .23 to .88 of a mile from the subject. The board of review's comparable #4 is the same property as the appellant's comparable #1. The comparables have sites ranging in size from 9,000 to 15,400 square feet of land area that are improved with 1-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 1,351 to 1,768 square feet of living area. The dwellings were built from 1947 to 1957 and have slab foundations. Each comparable has an attached and/or detached garage ranging in total size from 360 to 840 square feet of building area. Four comparables have central air conditioning and two comparables each have a fireplace. The comparables sold from June 2019 to September 2020 for prices ranging from \$285,000 to \$380,000 or from \$169.34 to \$239.08 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparable #2 due to its dissimilar basement foundation when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. However, only the board of review's comparable #2 lacks central air conditioning like the subject. Nevertheless, the best comparables sold from June 2019 to September 2020 for prices ranging from \$285,000 to \$380,000 or from \$169.34 to \$239.08 per square foot of living area, including land. The subject's assessment reflects a market value of \$317,729 or \$195.53 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
