

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Syed Haider
DOCKET NO.: 20-05239.001-R-1
PARCEL NO.: 14-13-302-002

The parties of record before the Property Tax Appeal Board are Syed Haider, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$100,818
IMPR.: \$243,265
TOTAL: \$344,083

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 6,538 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished walkout basement, central air conditioning, four fireplaces and an attached 1,411 square foot garage. The property has an approximately 97,530 square foot site and is located in Long Grove, Ela Township, Lake County

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .14 to .35 of a mile from the subject. The comparables have sites ranging in size from 4,661 to 124,834 square feet of land area that are improved with 2-story dwellings of brick exterior construction ranging in size from 5,502 to 7,467 square feet of living area. The dwellings were built from 1992 to 2010. The comparables have unfinished basements, two of which are lookout style and one of

which has a walkout. The comparables have central air conditioning, two or seven fireplaces, and an attached garage ranging in size from 783 to 1,051 square feet of building area. One comparable has a swimming pool. The comparables sold from April 2018 to May 2020 for prices ranging from \$652,000 to \$1,350,000 or from \$118.50 to \$180.80 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$344,083. The subject's assessment reflects a market value of \$1,033,593 or \$158.09 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .28 to .54 of a mile from the subject. The board of review's comparable #1 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 60,550 to 67,860 square feet of land area that are improved with 2-story dwellings of brick or wood siding and brick exterior construction ranging in size from 5,596 to 7,918 square feet of living area. The dwellings were built from 1992 to 2010. The comparables have unfinished basements, one of which has a walkout, central air conditioning, four or seven fireplaces, and an attached garage ranging in size from 1,051 to 1,323 square feet of building area. One comparable has a swimming pool. The comparables sold from September 2019 to July 2020 for prices ranging from \$100,000 to \$1,350,000 or from \$17.87 to \$181.57 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparable #2 due to its significantly smaller site and its sale date occurring greater than 20 months prior to the January 1, 2020 assessment date at issue. The Board also gives less weight to the board of review's comparable #3 due to its sale price being an outlier when compared to the other comparable sales in the record. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. The best comparables sold from September 2019 to May 2020 for prices ranging from \$652,000 to \$1,350,000 or from \$118.50 to \$181.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,033,593 or \$158.09 per square foot of living

area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
