

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Beverly Roth
DOCKET NO.: 20-05242.001-R-1
PARCEL NO.: 16-28-312-035

The parties of record before the Property Tax Appeal Board are Beverly Roth, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,689
IMPR.: \$86,519
TOTAL: \$136,208

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,839 square feet of living area. The dwelling was constructed in 1956. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 288 square foot garage. The property has a 9,710 square foot site and is located in Deerfield, West Deerfield Township, Lake County

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .07 to .35 of a mile from the subject. The comparables have sites ranging in size from 7,340 to 16,200 square feet of land area that are improved with 1-story dwellings ranging in size from 1,624 to 2,068 square feet of living area. The dwellings were built from 1952 to 1957. The comparables have basements, two of which have finished area, and one of which has a walkout. The comparables

have central air conditioning, a fireplace and a garage ranging in size from 420 to 546 square feet of building area. The comparables sold from May 2018 to May 2020 for prices ranging from \$340,000 to \$510,000 or from \$177.47 to \$274.01 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$136,208. The subject's assessment reflects a market value of \$409,156 or \$222.49 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .07 to .38 of a mile from the subject. The board of review's comparable #2 is the same property as the appellant's comparable #4. The comparables have sites ranging in size from 7,340 to 10,120 square feet of land area that are improved with 1-story dwellings of brick exterior construction ranging in size from 1,436 to 1,640 square feet of living area. The dwellings were built from 1953 to 1957. The comparables have basements, three of which have finished area, central air conditioning, and a detached and/or attached garage ranging in total size from 280 to 969 square feet of building area. Four comparables each have one or two fireplaces. The comparables sold from April to December 2020 for prices ranging from \$365,000 to \$475,000 or from \$222.56 to \$318.79 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #1, #2 and #3, due to their lack of finished basement area and/or their sale date occurring greater than 16 months prior to the January 1, 2020 assessment date at issue. The Board also gives less weight to the board of review's comparables #4 and #5, due to their larger amount of garage area and/or their lack of finished basement area when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. However, each of the best comparables has a smaller dwelling when compared to the subject. Nevertheless, the best comparables sold from April to December 2020 for prices ranging from \$435,000 to \$475,000 or from \$274.01 to \$318.79 per square foot of living area, including land. The subject's assessment reflects a market value of \$409,156 or \$222.49 per square foot of living area, including land,

which falls below the range established by the best comparables in the record. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their smaller dwelling size, the Board finds the subject's lower estimated market value as reflected by its assessment is justified. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
