

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Drag
DOCKET NO.: 20-05253.001-R-1
PARCEL NO.: 14-11-108-004

The parties of record before the Property Tax Appeal Board are Ron Drag, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,761
IMPR.: \$111,041
TOTAL: \$139,802

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,840 square feet of living area. The dwelling was constructed in 1990. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 834 square foot garage. The property has an approximately 37,870 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .25 to .42 of a mile from the subject. The comparables have sites ranging in size from 31,415 to 43,551 square feet of land area that are improved with 2-story dwellings of frame, brick or brick and frame exterior construction ranging in size from 2,830 to 3,364 square feet of living area. The dwellings were built in 1987 or 1988. The comparables have unfinished basements, one of

which has a walkout, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 782 to 988 square feet of building area. The comparables sold from June 2019 to April 2020 for prices ranging from \$345,000 to \$490,000 or from \$120.39 to \$154.38 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$139,802. The subject's assessment reflects a market value of \$419,952 or \$147.87 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .15 to .86 of a mile from the subject. The comparables have sites ranging in size from 37,860 to 43,230 square feet of land area that are improved with 1-story or 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,426 to 2,926 square feet of living area. The dwellings were built from 1958 to 1973. One comparable has an unfinished basement and two comparables have crawl-space foundations. The comparables have central air conditioning, one or two fireplaces, and an attached garage ranging in size from 540 to 624 square feet of building area. The comparables sold from February to October 2020 for prices ranging from \$358,500 to \$455,000 or from \$147.77 to \$155.50 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1, due to its larger dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #2 and #3, due to their smaller dwelling size and/or their dissimilar crawl-space foundation when compared to the subject. In addition, the board of review's comparable #3 is a dissimilar 1-story style dwelling when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold from June 2019 to October 2020 for prices ranging from \$345,000 to \$490,000 or from \$121.91 to \$154.38 per square foot of living area, including land. The subject's assessment reflects a market value of \$419,952 or \$147.87 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
