

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edyta Wywrocka
DOCKET NO.: 20-05254.001-R-1
PARCEL NO.: 14-11-107-004

The parties of record before the Property Tax Appeal Board are Edyta Wywrocka, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,119
IMPR.: \$83,197
TOTAL: \$109,316

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,853 square feet of living area. The dwelling was constructed in 1968. Features of the home include an unfinished basement, central air conditioning and an attached 420 square foot garage. The property has an approximately 34,390 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .18 to .69 of a mile from the subject. The comparables have sites ranging in size from 28,420 to 43,068 square feet of land area that are improved with 1-story dwellings of brick or frame exterior construction ranging in size from 1,730 to 1,895 square feet of living area. The dwellings were built from 1955 to 1971. The comparables have unfinished basements, one or two fireplaces, and attached

garage ranging in size from 468 to 550 square feet of building area. Four comparables have central air conditioning and one comparable has a gazebo. The comparables sold from September 2019 to July 2020 for prices ranging from \$255,000 to \$340,000 or from \$147.40 to \$180.66 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$109,316. The subject's assessment reflects a market value of \$328,375 or \$177.21 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .06 to .70 of a mile from the subject. The board of review's comparables #3, #4 and #5, are the same properties as the appellant's comparables #5, #3 and #4, respectively. The comparables have sites ranging in size from 28,420 to 43,068 square feet of land area that are improved with 1-story dwellings of brick or wood siding exterior construction ranging in size from 1,794 to 2,073 square feet of living area. The dwellings were built from 1955 to 1974. The comparables have unfinished basements, one or two fireplaces, and attached garage ranging in size from 468 to 666 square feet of building area. Four comparables have central air conditioning and one comparable has a gazebo. The comparables sold from October 2019 to October 2020 for prices ranging from \$310,000 to \$398,500 or from \$168.84 to \$192.98 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, three of which were submitted by both parties. The Board gives less weight to the appellant's comparable #4, which is the same property as the board of review's comparable #5, due to its lack of central air conditioning when compared to the subject. The Board finds the parties' remaining comparables, which includes two of the parties' common comparables have varying degrees of similarity to the subject. The best comparables sold from September 2019 to October 2020 for prices ranging from \$255,000 to \$398,500 or from \$147.40 to \$192.98 per square foot of living area, including land. The subject's assessment reflects a market value of \$328,375 or \$177.21 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted. and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
