

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yuriy Levit
DOCKET NO.: 20-05268.001-R-1
PARCEL NO.: 14-02-304-004

The parties of record before the Property Tax Appeal Board are Yuriy Levit, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,411
IMPR.: \$113,033
TOTAL: \$145,444

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,961 square feet of living area. The dwelling was constructed in 1978. Features of the home include an unfinished basement, central air conditioning, two fireplaces and an attached 700 square foot garage. The property has an approximately 42,670 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from 1.00 to 1.47 miles from the subject. The comparables have sites ranging in size from 42,201 to 43,836 square feet of land area that are improved with 2-story dwellings of frame, brick or brick and frame exterior construction ranging in size from 2,716 to 3,454 square feet of living area. The dwellings were built from 1977 to 1988. The comparables have basements, one of which has finished area and

one of which has a walkout. The comparables have central air conditioning, one or two fireplaces and an attached garage ranging in size from 572 to 1,036 square feet of building area. One comparable has a balcony. The comparables sold from February 2019 to April 2020 for prices ranging from \$395,000 to \$490,000 or from \$132.28 to \$180.41 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$145,444. The subject's assessment reflects a market value of \$436,900 or \$147.55 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .36 of a mile to 1.52 miles from the subject. The comparables have sites ranging in size from 39,890 to 45,400 square feet of land area that are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,860 to 3,095 square feet of living area. The dwellings were built from 1978 to 1988. The comparables have unfinished basements, central air conditioning, one or two fireplaces and an attached garage ranging in size from 462 to 916 square feet of building area. One comparable has a metal utility shed. The comparables sold from July 2019 to December 2020 for prices ranging from \$457,500 to \$485,000 or from \$148.63 to \$169.58 per square foot of living area, including land. The board of review included information regarding the subject's May 2021 sale for \$450,000 or \$151.98 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, as well as the board of review's comparables #1, #4 and #5, due to their location over a mile from the subject. In addition, the appellant's comparable #2 has a considerably larger dwelling and the appellant's comparable #5 has finished basement area. The Board finds the board of review's remaining comparables have varying degrees of similarity to the subject. The best comparables sold in July and November 2020 for prices of \$469,000 and \$460,000 or \$159.96 and \$148.63 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$436,900 or \$147.55 per square foot of living area, including land, which falls below the market values of the best comparables in the record. After considering adjustments to the best comparables for

differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is well supported. As a final note, the Board finds the subject's May 2021 sale for \$450,000 or \$151.98 per square foot of living area, including land, further supports the subject's 2020 assessment. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
