

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William O'Reilly
DOCKET NO.: 20-05270.001-R-1
PARCEL NO.: 14-01-302-010

The parties of record before the Property Tax Appeal Board are William O'Reilly, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$61,009
IMPR.: \$69,250
TOTAL: \$130,259

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,832 square feet of living area. The dwelling was constructed in 1988. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 770 square foot garage. The property has an approximately 85,010 square foot site and is located in Long Grove, Ela Township, Lake County

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable properties that are located from .19 to .42 of a mile from the subject. The comparables have sites ranging in size from 88,629 to 139,444 square feet of land area that are improved with 2-story dwellings of frame or brick and frame exterior construction ranging in size from 3,172 to 3,604 square feet of living area. The dwellings were built in 1980 or 1985. The comparables have unfinished basements, one of

which has a walkout, central air conditioning, one or three fireplaces, and an attached garage ranging in size from 759 to 2,126 square feet of building area. One comparable has a swimming pool and one comparable has a shed. The comparables sold from August 2019 to April 2020 for prices ranging from \$402,500 to \$442,500 or from \$119.31 to \$139.50 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$130,259. The subject's assessment reflects a market value of \$391,286 or \$138.17 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .09 to .94 of a mile from the subject. The board of review's comparable #1 is the same sale as the appellant's comparable #3. The comparables have sites ranging in size from 49,850 to 98,010 square feet of land area that are improved with 1-story or 2-story dwellings of wood siding, brick or brick and wood siding exterior construction ranging in size from 2,636 to 3,172 square feet of living area. The dwellings were built from 1979 to 1987. The comparables have unfinished basements, a fireplace and an attached garage ranging in size from 469 to 1,038 square feet of building area. Four comparables have central air conditioning and three comparables have swimming pools. The comparables sold from January to October 2020 for prices ranging from \$442,500 to \$490,000 or from \$139.50 to \$175.05 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #1 and #2, due to their considerably larger dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #4 and #5, due to their dissimilar 1-story style dwelling when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees are similar to the subject. The best comparables sold in April or October 2020 for prices ranging from \$442,500 to \$479,000 or from \$139.50 to \$175.05 per square foot of living area, including land. The subject's assessment reflects a market value of \$391,286 or \$138.17 per square foot of living area, including land, which falls below the range established by the best comparables in the record. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
