

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cynthia Mace
DOCKET NO.: 20-05276.001-R-1
PARCEL NO.: 12-33-211-005

The parties of record before the Property Tax Appeal Board are Cynthia Mace, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$112,300
IMPR.: \$193,103
TOTAL: \$305,403

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.5-story dwelling of wood siding exterior construction with 3,332 square feet of living area. The dwelling was constructed in 1893. Features of the home include an unfinished basement, a fireplace and a detached 351 square foot garage. The property has an approximately 14,300 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales that are located from .13 to .51 of a mile from the subject. The comparables have sites ranging in size from 9,688 to 17,799 square feet of land area that are improved with 2-story dwellings ranging in size from 2,611 to 3,438 square feet of living area. The dwellings were built from 1900 to 2003. The comparables have unfinished basements, one of which has a walkout, central air conditioning, a fireplace and a

garage ranging in size from 470 to 600 square feet of building area. The comparables sold from March 2019 to February 2020 for prices ranging from \$655,000 to \$881,250 or from \$250.00 to \$278.37 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$305,403. The subject's assessment reflects a market value of \$917,402 or \$275.33 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .05 to .52 of a mile from the subject. The comparables have sites ranging in size from 11,780 to 27,320 square feet of land area that are improved with 2-story dwellings of wood siding or stucco exterior construction ranging in size from 3,212 to 3,779 square feet of living area. The dwellings were built from 1900 to 1923, with the home built in 1900 having a 1936 effective age. The comparables have basements, one of which has finished area and a walkout, central air conditioning, one or three fireplaces, and a detached garage ranging in size from 480 to 680 square feet of building area. One comparable has a fully finished attic. The comparables sold from March to September 2020 for prices ranging from \$1,040,000 to \$1,350,000 or from \$292.79 to \$420.30 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration, none of which has a 2.5-story dwelling that lacks central air conditioning, when compared to the subject. Nevertheless, the Board gives less weight to the appellant's comparables #2, #5 and #6, due to their significantly smaller dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #2 and #3, due to their considerably larger dwelling size or their finished basement area, when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold from March 2019 to May 2020 for prices ranging from \$760,000 to \$1,040,000 or from \$250.00 to \$292.79 per square foot of living area, including land. The subject's assessment reflects a market value of \$917,402 or \$275.33 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
