

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jim Bertram
DOCKET NO.: 20-05280.001-R-2
PARCEL NO.: 12-33-202-005

The parties of record before the Property Tax Appeal Board are Jim Bertram, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$195,847
IMPR.: \$543,308
TOTAL: \$739,155

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.5-story dwelling of wood siding exterior construction with 6,321 square feet of living area. The dwelling was constructed in 1912 but has a 1919 effective age. Features of the home include an unfinished basement, central air conditioning, five fireplaces and an attached 679 square foot garage. The property has a 27,830 square foot site and is located in Lake Forest, Shields Township, Lake County

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales that are located from .09 to .58 of a mile from the subject. The comparables have sites ranging in size from 32,252 to 70,275 square feet of land area that are improved with 1.75-story, 2-story or 2.5-story dwellings ranging in size from 4,251 to 6,861 square feet of living area. The dwellings were built from 1900 to 1988, with homes built in 1910 and 1914 having 1921 and 1950 effective ages. The comparables have

unfinished basements, central air conditioning, one or three fireplaces, and a garage ranging in size from 360 to 1,167 square feet of building area. The comparables sold from March 2018 to June 2020 for prices ranging from \$1,000,000 to \$2,200,000 or from \$184.74 to \$365.43 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$739,155. The subject's assessment reflects a market value of \$2,220,351 or \$351.27 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .28 to .72 of a mile from the subject. The board of review's comparables #3 and #4 are the same properties as the appellant's comparables #4 and #6. The comparables have sites ranging in size from 29,180 to 55,760 square feet of land area that are improved with 1.5-story, 1.75-story, 2-story or 2.5-story dwellings of wood siding, wood siding and brick or wood siding and stone exterior construction ranging in size from 5,175 to 6,861 square feet of living area. The dwellings were built in 1903 or 1925, with one home built in 1925 having a 1936 effective age. The comparables have basements, one of which has finished area, central air conditioning, two or three fireplaces, and an attached or detached garage ranging in size from 420 to 925 square feet of building area. Two comparables each have a swimming pool and one also has a fully finished attic. The comparables sold from July 2019 to May 2020 for prices ranging from \$2,000,000 to \$2,300,000 or from \$320.65 to \$444.44 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 11 comparable sales for the Board's consideration, two of which were submitted by both parties. The Board finds none of the parties' comparables are particularly similar to the subject. Nevertheless, the Board gives less weight to the appellant's comparables #2, #5 and #9 due to their sale dates occurring greater than 16 months prior to the January 1, 2020 assessment date at issue. The Board finds the parties' remaining comparables, which includes the parties' common comparables, have varying degrees of similarity to the subject. The best comparables sold from March 2019 to June 2020 for prices ranging from \$1,000,000 to \$2,300,000 or from \$184.74 to \$444.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$2,220,351 or \$351.27 per square foot

of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
