

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Moore
DOCKET NO.: 20-05281.001-R-1
PARCEL NO.: 12-33-126-007

The parties of record before the Property Tax Appeal Board are Chris Moore, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$105,000
IMPR.: \$253,030
TOTAL: \$358,030

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stucco exterior construction with 3,766 square feet of living area. The dwelling was constructed in 1920 but has a 1930 effective age. Features of the home include a basement, that has finished area, a fully finished attic, central air conditioning, four fireplaces and a detached 600 square foot garage. The property has an approximately 13,030 square foot site and is located in Lake Forest, Shields Township, Lake County

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .05 to .65 of a mile from the subject. The comparables have sites ranging in size from 11,779 to 15,329 square feet of land area that are improved with 2-story dwellings ranging in size from 3,040 to 4,335 square feet of living area. The dwellings were built from 1900 to 1923. The comparables have

basements, one of which has finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 460 to 480 square feet of building area. The comparables sold from March 2019 to June 2020 for prices ranging from \$760,000 to \$1,040,000 or from \$214.53 to \$292.79 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$358,030. The subject's assessment reflects a market value of \$1,075,488 or \$285.58 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .32 to .87 of a mile from the subject. The board of review's comparable #1 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 11,780 to 24,760 square feet of land area that are improved with 2-story dwellings of wood siding or brick exterior construction ranging in size from 3,212 to 3,559 square feet of living area. The dwellings were built from 1900 to 1929 but have effective ages ranging from 1923 to 1946. The comparables have basements, three of which have finished area and one of which has a walkout. The comparables have central air conditioning, from one to three fireplaces, and an attached or detached garage ranging in size from 462 to 600 square feet of building area. One comparable has a fully finished attic. The comparables sold from January 2019 to July 2020 for prices ranging from \$1,040,000 to \$1,350,000 or from \$292.79 to \$420.30 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #1 and #2, as well as the board of review's comparable #3, due to their differences in dwelling size when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. The best comparables sold from January 2019 to July 2020 for prices ranging from \$1,040,000 to \$1,315,000 or from \$292.79 to \$369.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,075,488 or \$285.58 per square foot of living area, including land, which falls within the range established by the best comparables in the record on a total market value basis but below the range on a per square foot basis. After

considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
