

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carol Jones  
DOCKET NO.: 20-05288.001-R-1  
PARCEL NO.: 12-32-301-015

The parties of record before the Property Tax Appeal Board are Carol Jones, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$102,199  
**IMPR.:** \$119,657  
**TOTAL:** \$221,856

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of wood siding exterior construction with 3,247 square feet of living area. The dwelling was constructed in 1956 and has an effective year built of 1971. Features of the home include a basement, central air conditioning, two fireplaces, a greenhouse, and a 685 square foot garage. The property has an approximately 21,960 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .66 of a mile from the subject. The comparables have sites ranging in size from 23,396 to 40,049 square feet of land area and are improved with 1-story dwellings ranging in size from 2,787 to 3,481 square feet of living area. The dwellings were constructed from 1957 to 1974. Comparable #2 has an effective year built of 1963. Each comparable has a basement, central air conditioning, one fireplace, and

a garage ranging in size from 520 to 884 square feet of building area. The comparables sold from July 2019 to May 2020 for prices ranging from \$600,000 to \$700,000 or from \$179.55 to \$215.29 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$248,975. The subject's assessment reflects a market value of \$747,897 or \$230.33 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .82 of a mile from the subject. The properties have sites ranging in size from 20,650 to 31,280 square feet of land area and are improved with 1-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,656 to 3,505 square feet of living area and were built from 1957 to 1966. Comparable #2 has an effective year built of 1978. The comparables each have a basement with finished area, central air conditioning, two fireplaces and a garage ranging in size from 483 to 795 square feet of building area. The comparables sold from February to June 2019 for prices ranging from \$655,000 to \$918,000 or from \$246.61 to \$268.99 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains six comparable sales for the Board's consideration. The Board gives less weight to the board of review comparables which have finished basement area unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparables which are overall more similar to the subject in location, age, dwelling size and features. These comparables sold from July 2019 to May 2020 for prices ranging from \$600,000 to \$700,000 or from \$179.55 to \$215.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$747,897 or \$230.33 per square foot of living area, including land, which falls above the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
