

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joanne Dicker
DOCKET NO.: 20-05359.001-R-1
PARCEL NO.: 15-32-101-025

The parties of record before the Property Tax Appeal Board are Joanne Dicker, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,690
IMPR.: \$104,502
TOTAL: \$132,192

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,136 square feet of living area. The dwelling was constructed in 1973. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 440 square foot garage. The property has an approximately 8,775 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.53 of a mile from the subject property. The comparables have sites that range in size from 8,343 to 11,400 square feet of land area and are improved with two-story dwellings of frame exterior construction each with 2,136 square feet of living area. The dwellings were built in 1969 or 1972. Each comparable has a basement with one having finished area. The dwellings have central air conditioning, one

fireplace and a 440 square foot garage. The appellant asserted comparable #3 to have been rehabbed and submitted a copy of the Multiple Listing Service sheet in support of the assertion. The properties sold from August 2019 to July 2020 for prices ranging from \$320,000 to \$415,375 or from \$149.81 to \$194.46 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$123,876 which reflects a market value of \$371,665 or \$174.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$132,192. The subject's assessment reflects a market value of \$397,092 or \$185.90 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.55 of a mile from the subject property. Board of review comparables #1 and #2 are the same properties as the appellant's comparables #3 and #2, respectively, which were previously described. Board of review comparable #3 has an 8,770 square foot site improved with a two-story dwelling of wood siding exterior construction that has 2,598 square feet of living area. The home was built in 1970 and has an unfinished basement, central air conditioning, one fireplace and a 440 square foot garage. Comparable #3 sold September 2019 for \$440,000 or \$169.36 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains four comparable sales for the Board's consideration, as two properties were common to both parties. The Board gives less weight to board of review comparable #3 which is less similar to the subject in dwelling size than other properties in the record.

The Board finds the best evidence of market value to be the appellant's comparables which includes board of review comparables #1 and #2, two common properties, which are more similar to the subject in location, age, design, dwelling size and other features, although two of these properties lack finished basement area, suggesting an upward adjustment is needed to make these properties more equivalent to the subject. These comparables sold from August 2019 to July 2020 for prices ranging from \$320,000 to \$415,375 or from \$149.81 to \$194.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$397,092 or \$185.90 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
