

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Regina Lynn
DOCKET NO.: 20-05387.001-R-1
PARCEL NO.: 16-09-111-019

The parties of record before the Property Tax Appeal Board are Regina Lynn, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$78,408
IMPR.: \$103,049
TOTAL: \$181,457

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 2,613 square feet of living area. The dwelling was built in 1961. Features of the home include a partial basement with finished area,¹ central air conditioning, one fireplace, and a 567 square foot garage. The property has an approximately 19,635 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code and located within 0.20 of a mile from the subject. The comparables have sites that range in size from 12,750 to 20,678 square feet of land area. The comparables are

improved with 1-story dwellings ranging in size from 2,162 to 2,397 square feet of living area. The dwellings were built from 1960 to 1973. Each comparable has a basement and a 520 to 624 square foot garage. Three comparables each have central air conditioning and three comparables each have one fireplace. The properties sold from October 2018 to April 2020 for prices ranging from \$390,000 to \$535,000 or from \$173.03 to \$247.46 per square foot of living area, land included. Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$181,457 which reflects a market value of \$545,080 or \$208.60 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject property and located within 0.22 of a mile from the subject. Board of review comparable #2 is the same property as the appellant's comparable #1. The comparables have sites that range in size from 20,040 to 20,740 square feet of land area. The comparables are improved with 1-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,254 to 2,542 square feet of living area. The dwellings were built from 1958 to 1967. One comparable has a partial basement with finished area and two comparables each have a concrete slab foundation. Each comparable has central air conditioning and a 400 to 624 square foot garage. Two comparables each have one fireplace. The properties sold from March to November 2020 for prices ranging from \$390,000 to \$716,000 or from \$173.03 to \$281.67 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six suggested comparable sales for the Board's consideration, which includes the parties' one common comparable. The Board gives less weight to the appellant's comparables #2 and #3 which have sale dates that are less proximate to the January 1, 2020 assessment than the other sales in the record. The Board gives less weight to board of review comparables #1 and #3 which lack basements, a feature of the subject.

The Board finds the best evidence of market value to be the parties' common comparable and the appellant's comparable #4 which have sale dates proximate in time to the subject's assessment date and are overall more similar to the subject in location, design, age, dwelling size, and most features. The comparables sold in February and April 2020 for prices of \$390,000 and \$535,000 or \$173.03 and \$247.46 per square foot of living area, land included. The subject's assessment reflects a market value of \$545,080 or \$208.60 per square foot of living area, land included,

which falls above the sales of the two best comparable sales in the record on an overall basis but is bracketed on a per square foot basis and appears logical considering the subject's larger dwelling size. Based on the record and after considering adjustments to the two best comparables for differences from the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
