

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rahul Patel
DOCKET NO.: 20-05460.001-R-1
PARCEL NO.: 15-32-401-033

The parties of record before the Property Tax Appeal Board are Rahul Patel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,255
IMPR.: \$119,088
TOTAL: \$150,343

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,389 square feet of living area. The dwelling was constructed in 1987. Features of the home include a basement, central air conditioning, two fireplaces and a 483 square foot garage. The property has an approximately 9,375 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within 0.17 of a mile from the subject property. The comparables have sites that range in size from 8,975 to 11,036 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,260 to 2,388 square feet of living area that were built in 1987. Each comparable has a basement, two with finished area, central air conditioning and a garage that has either 416 or 420 square feet of building area. One comparable has a fireplace. The appellant provided listing data sheet for comparable #3 indicating the dwelling was

rehabbed in 2012 and has aluminum, vinyl siding and brick exterior construction. The comparables sold from February to August 2019 for prices ranging from \$398,000 to \$475,000 or from \$171.55 to \$210.18 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,343. The subject's assessment reflects a market value of \$451,616 or \$189.04 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within 1.20 miles from the subject property. The board of review's comparables #1 #2 and #3 are the same properties as the appellant's comparables #2, #3 and #1, respectively, and was previously described. The comparable has a site of 9,050 square feet of land area. The comparable is improved with a 2-story dwelling of wood siding exterior construction that has 2,340 square feet of living area. The dwelling was built in 1979. The comparable has a basement with a finished area, central air conditioning, a fireplace and a garage with 440 square feet of building area. The comparable sold in May 2020 for the price of \$460,000 or \$196.58 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains four suggested comparable sales for the Board's consideration, as three sales where common to the parties. The Board has given less weight to the board of review comparable #4 due to difference in age when compared to the subject and distance of over one mile from the subject.

The Board finds the best evidence of market value to be the remaining parties' common comparables. The Board finds that these comparables are more similar to the subject in location, dwelling size, age and some features. The comparables sold from February to August 2019 for prices ranging from \$398,000 to \$475,000 or from \$171.55 to \$210.18 per square foot of living area, including land. The subject's assessment reflects a market value of \$451,616 or \$189.04 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
