

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Menuhin D'Souza
DOCKET NO.: 20-05463.001-R-1
PARCEL NO.: 16-05-408-014

The parties of record before the Property Tax Appeal Board are Menuhin D'Souza, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$87,585
IMPR.: \$183,419
TOTAL: \$271,004

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 3,153 square feet of living area. The dwelling was constructed in 2001. Features of the home include a basement, central air conditioning, one fireplace and an 814 square foot garage. The property has an approximately 60,113 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within 1.94 miles from the subject property. Two comparables have sites of 43,560 and 64,904 square feet of land area. The comparables are improved with 1-story dwellings ranging in size from 3,201 to 3,641 square feet of living area that were built from 1986 to 1999. Each comparable has a basement, central air conditioning, one fireplace and a garage ranging in size from 506 to 748 square feet of building area. The comparables sold from May 2018 to July 2020 for prices ranging from \$655,000 to

\$690,000 or from \$187.73 to \$210.87 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$271,004. The subject's assessment reflects a market value of \$814,070 or \$258.19 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 0.68 of a mile from the subject property. The board of review's comparable #5 is the same property as the appellant's comparable #2. Four comparables have sites ranging in size from 13,400 to 43,560 square feet of land area. The comparables are improved with 1-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 2,542 to 3,641 square feet of living area. The dwellings were built from 1967 to 1986. Four comparables each have a basement, one comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 506 to 748 square feet of building area. The comparables sold from June 2019 to November 2020 for prices ranging from \$565,000 to \$1,230,000 or from \$184.58 to \$361.66 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, as one sale was common to the parties. The Board has given less weight to the appellant's comparables, and the board of review comparables #1, #3 and #5, which includes the parties common comparable, due to their dissimilar dwelling sizes and /or age when compared to the subject, furthermore appellant's comparable #1 has a sale date of May 2018, which is less proximate in time to the January 1, 2020 assessment date.

The Board finds the best evidence of market value to be the board of review comparables #2 and #4. The Board finds that these comparables are more similar to the subject in location, dwelling size, age and some features. The comparables sold in June 2019 and October 2020 for prices of \$565,000 to \$1,230,000 or \$184.58 to \$361.66 per square foot of living area, including land. The subject's assessment reflects a market value of \$814,070 or \$258.19 per square foot of living area, including land, which is bracketed by the two best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
