

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Janna Wilson
DOCKET NO.: 20-05485.001-R-1
PARCEL NO.: 16-32-411-094

The parties of record before the Property Tax Appeal Board are Janna Wilson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,389
IMPR.: \$139,967
TOTAL: \$164,356

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,070 square feet of living area. The dwelling was constructed in 1991 and has an effective year built of 1989. Features of the home include a basement, central air conditioning, a fireplace, and a 396 square foot garage. The property has an approximately 3,040 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales. The comparables are located within 0.10 of a mile from the subject property. The comparables have sites that range in size from 2,997 to 3,607 square feet of land area. The comparables are improved with 1-story dwellings with 2,070 or 2,436 square feet of living area that were built from 1989 to 1993 with comparable #3 and #4 having an effective year built of 1989. Each comparable is reported to have a basement, central air conditioning, a fireplace and a garage with 396 or 441 square feet of building area. The comparables sold from January 2019 to June 2020 for prices ranging from

\$420,000 to \$580,000 or from \$202.90 to \$238.10 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$164,356. The subject's assessment reflects a market value of \$493,710 or \$238.51 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within 0.10 of a mile from the subject property, the board of review comparables #2 and #3 are the same properties as the appellant's comparables #2 and #4, respectively. The comparables have sites ranging in size from 3,000 to 3,610 square feet of land area. The comparables are improved with 2-story dwellings of brick and wood siding exterior construction with 2,070 or 2,436 square feet of living area. The dwellings were built from 1989 to 1993 with two comparables having an effective year built of 1989. Each comparable has a basement, central air conditioning, a fireplace and a garage with 396 or 441 square feet of building area. The comparables sold from July 2019 to October 2020 for prices ranging from \$530,000 to \$580,000 or from \$233.99 to \$256.04 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted a total of five comparable sales for the Board's consideration, two of which were common to both parties. The Board finds that all of the comparables are similar to the subject in location, design, lot size and some features, but the appellants comparables #2 through #4, that includes the parties common comparables, have larger dwelling sizes, suggesting adjustments would be necessary to make the comparables more equivalent to the subject. Nevertheless, these most similar comparables sold from January 2019 to October 2020 for prices ranging from \$420,000 to \$580,000 or from \$202.90 to \$256.04 per square foot of living area, including land. The subject's assessment reflects a market value of \$493,710 or \$238.51 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
