

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Todd Hassenfelt
DOCKET NO.: 20-05529.001-R-1
PARCEL NO.: 11-32-207-018

The parties of record before the Property Tax Appeal Board are Todd Hassenfelt, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,010
IMPR.: \$155,717
TOTAL: \$209,727

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 4,320 square feet of living area. The dwelling was constructed in 2000. Features of the home include a basement, central air conditioning, a fireplace and a 600 square foot garage. The property has a 13,858 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on February 22, 2019 for a price of \$630,000, the parties to the transaction were not related, the property was sold by a realtor, and it advertised for sale through the Multiple Listing Service (MLS) for 187 days. To document the sale, the appellant submitted the MLS sheet and the Listing & Property History Report associated with the sale. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$211,995. The subject's assessment reflects a market value of \$636,813 or \$147.41 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review asserted the subject's current value equals the 2019 purchase price multiplied by the 2020 equalization factor. Based on this evidence, the board of review requests no change to the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best and only evidence of market value to be the purchase of the subject property in February 2019 for a price of \$630,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 187 days. In further support of the transaction the appellant submitted a copy of the Multiple Listing Service sheet and the Listing & Property History report. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Furthermore, the board of review did not provide any market value evidence to support the subject's assessment. Based on this record the Board finds the subject property had a market value of \$423,000 as of January 1, 2020. Since market value has been determined the 2020 three-year average median level of assessment for Lake County of 33.29% shall apply. 86 Ill.Admin.Code §1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
