

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Greenland Housing LLC
DOCKET NO.: 20-05613.001-R-1
PARCEL NO.: 03-13-453-004

The parties of record before the Property Tax Appeal Board are Greenland Housing LLC, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Kane County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,425
IMPR.: \$52,371
TOTAL: \$62,796

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of frame and brick exterior construction with 1,628 square feet of living area.¹ The dwelling was constructed in 1969. Features of the home include a finished lower level, central air conditioning, and a garage containing 418 square feet of building area. The property has a 6,969 square foot site and is located in Carpentersville, Dundee Township, Kane County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales located within .49 of a mile of the subject. The comparables consist of split-level dwellings of frame or brick and frame exterior construction each containing 1,628 square feet of living area.² The homes were built from 1959

to 1970. Each dwelling has a finished lower level and a garage ranging in size from 286 to 528 square feet of building area. Eight comparables have central air conditioning. The parcels range in size from 6,534 to 7,841 square feet of land area. The comparables sold from February 2019 to October 2020 for prices ranging from \$136,861 to \$183,000 or from \$84.07 to \$112.41 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$51,662, for an estimated market value of \$155,002 or \$95.21 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,796. The subject's assessment reflects a market value of \$188,463 or \$115.76 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Kane County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on nine comparable sales located within 1.62 miles of the subject. The comparables consist of split-level dwellings of frame or brick and frame exterior construction containing either 1,540 or 1,628 square feet of living area. The dwellings were built from 1955 to 1969. Each dwelling has a finished lower level. Eight comparables each have a garage ranging in size from 276 to 528 square feet of building area, eight comparables have central air conditioning, and one comparable has a fireplace. The parcels range in size from 6,098 to 8,276 square feet of land area. The comparables sold from April 2020 to March 2021 for prices ranging from \$199,900 to \$229,000 or from \$122.79 to \$146.04 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the board of review's comparables #3 through #5 and #7 through #9 should be given less weight as they differ from the subject in age or location, or have more remote sale dates.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 18 comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #7 due to its lack of central air conditioning compared to the subject. The Board also gives reduced weight to board of review comparables #3, #4, #5, #7, #8, and #9 due to their lack of central air conditioning, lack of garage, location more than one mile from the subject, and/or remote sale date for valuation as of January 1, 2020.

The Board finds the best evidence of market value to be appellant's comparable sales #1 through #6, #8, and #9 along with board of review comparable sales #1, #2, and #6, which are similar to

the subject in age, dwelling size, location, and features. These most similar comparables sold for prices ranging from \$136,861 to \$229,000 or from \$84.07 to \$140.66 per square foot of living area, including land. The subject's assessment reflects a market value of \$188,463 or \$115.76 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
